THE CITY OF RAYMORE IS REQUESTING PROPOSALS FOR SITE WORK.

Partner with us in creating the *first* inclusive sprayground in Missouri—and one of the first of its kind in the country—designed for people of all abilities.

Plans for the park also include an inclusive playground and an ice skating rink for winter months.

A generous donation from Variety Children's Charity of Greater Kansas City (Variety KC) made it possible to plan an inclusive sprayground and playground for T.B. Hanna Station. Variety KC is a not-for-profit organization dedicated to providing adaptive equipment and opportunities for activities and inclusion for children with developmental disabilities.

Our partner will be permanently recognized at this park that is home to many of our community events each year.
We also welcome donations of in-kind services.
