April 13, 2020

To the Honorable Mayor, Members of the Governing Council, and Citizens of the City of Raymore:

State law requires that every general-purpose local government publish within six months of the close of each fiscal year a complete set of audited financial statements. This report is published to fulfill that requirement for the fiscal year ended October 31, 2019.

Management assumes full responsibility for the completeness and reliability of the information contained in this report, based upon a comprehensive framework of internal control that it has established for this purpose. Because the cost of internal control should not exceed anticipated benefits, the objective is to provide reasonable, rather than absolute, assurance that the financial statements are free of any material misstatements.

Dana F. Cole & Company, LLP, Certified Public Accountants, have issued an unmodified ("clean") opinion on the City of Raymore's financial statements for the year ended October 31, 2019. The independent auditors' report is located at the front of the financial section of this report.

Management's discussion and analysis (MD&A) immediately follows the independent auditors' report and provides a narrative introduction, overview, and analysis of the basic financial statements. This letter of transmittal is designed to complement the MD&A and should be read in conjunction with it.

#### Profile of the Government

Raymore was initially platted in 1874, incorporated on March 20, 1877, and became a Fourth Class City on March 5, 1988. The City is almost 20 square miles in area and is located approximately 23 miles south of Downtown Kansas City in the west central part of the state. The present estimated population of the City is 20,839. Located in northwestern Cass County along Interstate I-49, Raymore's recent history is dominated by rapid growth. Raymore is one of the fastest growing communities in the area, consistently placing among the top communities in monthly statistics of new residential construction in the Kansas City Metropolitan area. It is also empowered by state statute to extend its corporate limits by annexation, which it has done from time to time.

The City of Raymore is a council/manager form of government. The City adopted its Charter in November 1997. The City Council consists of eight members with two members elected from each of the four wards. The Council members serve 2-year, staggered terms. The Mayor is elected at large and serves a 3-year term and presides over meetings of the City Council. The City Manager is appointed by the Mayor with the advice and consent of the City Council as the chief administrative officer of the City.

The Council members set the policy for the City, and the City Manager is responsible for administering this policy in the day-to-day activities of City operations. Department Heads for municipal operations report to the City Manager.

The City of Raymore provides a wide range of services, including police, building, and code enforcement; the construction and maintenance of highways, street, and other infrastructure; and parks and recreational activities.

The City of Raymore owns and operates its own water and sewer system, which functions, in essence, as a department of the City of Raymore and, therefore, has been included as an integral part of the City of Raymore's financial statements.

The Council is required to adopt a final budget by no later than the close of the fiscal year. This annual budget serves as the foundation for the City of Raymore's financial planning and control. The budget is prepared by fund and department (e.g., police). Departmental transfers not changing fund balance may be made with approval of the City Manager and Finance Director. Transfers between departments, however, need special approval from the governing council.

#### Factors affecting Financial Condition

**Local Economy.** The City of Raymore is mostly residential with a large variety of housing. The City continues to be one of the fastest growing communities in Missouri over the past seventeen years. The City of Raymore is served by two state highways (58 and J) and Interstate I-49 providing convenient commuter access to the various cultural, educational, social, industrial, and marketing institutions of the region.

The major retailers in the City of Raymore are Wal-Mart, Sam's Club, Price Chopper, and Lowe's. Many major infrastructure projects are completed or near completion. The I-49 interchange in the southwestern part of Raymore opened in 2010. The project has provided the groundwork for significant industrial, commercial, and residential development in that corridor. This has also stimulated interest in other developments throughout the City. During 2019 the City recognized new businesses to the community including: Fedex, Athletico Physical Therapy, Donna's Timeless Treasures, and Elite 24 Fitness, as well as a complete remodel and opening of an existing gas station, Freedom Stop.

Long-Term Financial Planning. Fiscal year 2019 had good growth in residential housing starts. The City believes its revenue base with the General Fund is showing positive stabilization. However, the City again focused on conservative revenue projections, as well as cost containment efforts put in place in 2009 in order to meet fiscal year priorities and service requirements to its residents and prepare the City for long-term financial health and stability.

These efforts continued through the fiscal year 2020 budget process to ensure sound financial position. The General Fund expenditures were budgeted with an increase of 4.9% over the previous year's budget. The City is still addressing the Mayor and Council priorities and maintaining or expanding current service levels.

The City of Raymore's policy is to maintain a contingency fund balance in the three operating funds equal to 20% of annual operating expenditures. The fund balances in the General Fund, Parks Fund, and Enterprise Fund all fall within the policy guidelines set by Council for budgetary and planning purposes.

The City of Raymore prepares a 5-year Capital Improvement Plan (CIP) for constructing, maintaining, and replacing the City's infrastructure. In preparing the budget, the City assesses needs, prioritizes public improvements, and projects costs. This budget is reviewed annually and projects are reprioritized and the financial condition of the City is evaluated.

**Major Initiatives.** The City of Raymore continues to be an active and growing community. One-hundred thirty-two building permits were issued during fiscal year 2019. Overall, development activity is increasing in the City. There are 146 homes currently under construction, 345 available lots that are site ready for issuance of a permit for a new home, and 8,670 dwelling units within the City. This is an increase of 162 over 2018.

As a growing community, the City recognizes the importance of maintaining the ability to provide services to all citizens. The Public Works staff is continuing to work with consultants to meet needs for the future. During 2010, the water master plan was updated. In 2012, staff secured an agreement with KCMO Water Services to increase water supply to meet demands for the foreseeable future. In 2020 the department directors will undertake a review and update all master plans to create a city-wide comprehensive plan.

During 2018, the City issued Special Obligation Bonds of \$1,190,000 to fund the purchase of the Sensus Meter Reading System including two redundant radio repeater stations. The City has been working through a multi-year program to convert the residential water meters to Sensus meters and electronic reading transmitters. The City experienced a number of issues that did not allow this conversion to progress as quickly as planned. In 2018, the decision was made to purchase the new system and convert the entire City at one time. The new system will allow the utility staff to electronically read all residential water meters from the utility office. This new infrastructure will greatly increase the ability to provide water and sewer information to customers thereby offering better customer service to residents. The majority of the infrastructure was fully operational by the end of 2019. The project is anticipated to be complete in early 2020.

Many of the 2016 General Obligation Bond projects have already been completed or are under way. To highlight a few: 58 Hwy Mill and Overlay; Johnston Drive Extension to Dean Ave.; South Foxridge Drive to Dean Ave.; Recreation Park Trail Rehabilitation; Recreation Park Parking Lot Improvements; the opening of the Centerview building on Municipal Circle, the Raymore Activity Center opened in October 2018; and Hawk Ridge Park opened in late 2019. The Kentucky Road, now known as Westgate Drive, relocation and the improvements at T.B. Hanna Station Park are anticipated to complete in the Summer of 2020.

Capital projects of approximately 6.4 million dollars were constructed during the year using proceeds of the transportation, excise, capital improvement, enterprise capital maintenance, park sales taxes, storm water taxes, and B.E.R.P. funds for buildings, street, storm sewer, sanitary sewer, and water improvements. The City purchased a Command Post Vehicle which will serve as our Mobile Command Unit. It will serve to mobilize our entire First Responder unit, including Dispatching, when the needs arise. This will be placed in service in fiscal year 2020.

In early 2015, the City completed a biannual citizen survey which was immediately followed up by the City Council and management team working with a group from the University of Kansas Public Management Center to create a 10-year strategic plan. Council and the management team met with the group at a couple work sessions to start the process. The City hosted three Community Conversations during the month of February 2016 to get citizen input. During 2017, the City Council and management team finalized and adopted a new strategic goal based on the input from those Community Conversations that will drive the future decisions, goals, and budgets for the next ten years. In 2018, the City hosted a Community Conversation during the month of October. Following the success of the 2016 reimagine Raymore Community Conversations, the Council wanted to check back in with residents to show the projects and initiatives that came from that feedback and garner new ideas for future years in the strategic plan.

**Financial Information.** Management of the City is responsible for establishing and maintaining internal control designed to ensure that assets of the government are protected from loss, theft, or misuse and to ensure that adequate accounting data are compiled to allow for the preparation of financial statements in conformity with accounting principles generally accepted in the United States of America (GAAP).

The internal controls are designed to provide reasonable, but not absolute, assurance that these objectives are met. The concept of reasonable assurance recognizes that (1) the cost of control should not exceed the benefits likely to be derived and (2) the valuation of costs and benefits require estimates and judgments by management.

The accounts of the City are organized on the basis of funds and account groups, each of which is considered to be a separate entity. The operations of each fund are accounted for by providing a separate set of self-balancing accounts, which comprise assets, liabilities, equities, revenues, and expenditures.

Budgetary control is maintained to ensure compliance with legal provisions embodied in the annual appropriated budget approved by the City Council. Activities of the General Fund, Capital Projects Funds, Special Revenue Funds, Debt Service Fund, Internal Service Funds, and Enterprise Funds are included in the annual appropriated budget. The level of budget control is established at the department level with Finance closely monitoring weekly activity.

#### Awards and Acknowledgements

The Government Finance Officers Association of the United States and Canada (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to the City of Raymore, Missouri, for its Comprehensive Annual Financial Report (CAFR) for the fiscal year ended October 31, 2018. This was the ninth year that the City achieved this prestigious award. In order to be awarded a Certificate of Achievement, a government must publish an easily readable and efficiently organized Comprehensive Annual Financial Report. This report must satisfy both generally accepted accounting principles and applicable legal requirements.

A Certificate of Achievement is valid for a period of one year only. We believe our current Comprehensive Annual Financial Report continues to meet the Certificate of Achievement Program's requirements and we are submitting it to the GFOA to determine its eligibility for another certificate.

In addition, the City also received for the fifteenth consecutive year the GFOA's Distinguished Budget Presentation Award for its annual budget document dated October 31, 2019. In order to qualify for the Distinguished Budget Presentation Award, the government's budget document had to be judged proficient as a policy document, a financial plan, an operations guide, and a communications device.

The preparation of this comprehensive annual financial report could not have been accomplished without the efficient and dedicated services of the Finance staff. I wish to express my appreciation to all departments that help us to provide the statistical information. Special thanks to the firm Dana F. Cole & Company, LLP, for their thorough and competent service and cooperation in the conduct of the annual audit and assistance in making this report available.

Finally, I would like to acknowledge Jim Feuerborn, City Manager, and the governing council for their unfailing support for maintaining the highest standards of professionalism in the management of the City of Raymore's financial operations.

Respectfully submitted,

FO: 00 & Williams

Executive Director/CEO

**Financial Section** 

#### INDEPENDENT AUDITORS' REPORT

To the Honorable Mayor and Members of the City Council City of Raymore, Missouri

#### Report on the Financial Statements

We have audited the accompanying financial statements of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the City of Raymore, Missouri, as of and for the year ended October 31, 2019, and the related notes to the financial statements, which collectively comprise the City's basic financial statements as listed in the table of contents.

#### Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

#### Auditors' Responsibility

Our responsibility is to express opinions on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditors' judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

#### **Opinions**

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information of the City of Raymore, Missouri, as of October 31, 2019, and the respective changes in financial position and, where applicable, cash flows thereof for the year then ended in accordance with accounting principles generally accepted in the United States of America.

#### Other Matters

#### Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis on pages 11 to 22, the budgetary comparison information on pages 74 to 77, the schedule of employer's contributions on page 78, and the schedule of changes in net pension liability on page 79 be presented to supplement the basic financial statements. Such information, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

#### Other Information

Our audit was conducted for the purpose of forming opinions on the financial statements that collectively comprise the City of Raymore, Missouri's basic financial statements. The introductory section, other supplementary information, and statistical section are presented for purposes of additional analysis and are not a required part of the basic financial statements.

The other supplementary information on pages 80 to 85 is the responsibility of management and was derived from and relates directly to the underlying accounting and other records used to prepare the basic financial statements. Such information has been subjected to the auditing procedures applied in the audit of the basic financial statements and certain additional procedures, including comparing and reconciling such information directly to the underlying accounting and other records used to prepare the basic financial statements or to the basic financial statements themselves, and other additional procedures in accordance with auditing standards generally accepted in the United States of America. In our opinion, the other supplementary information on pages 80 to 85 is fairly stated, in all material respects, in relation to the basic financial statements as a whole.

The schedule of changes in fiduciary funds, the introductory section, and statistical section have not been subjected to the auditing procedures applied in the audit of the basic financial statements, and accordingly, we do not express an opinion or provide any assurance on them.

#### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated April 13, 2020, on our consideration of the City of Raymore, Missouri's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the City of Raymore, Missouri's internal control over financial reporting and compliance.

Dana Flole+Company, LLP

Overland Park, Kansas April 13, 2020

The financial department for the City of Raymore, Missouri, offers readers of the City of Raymore, Missouri's financial statements this narrative overview and analysis of the financial activities of the City of Raymore, Missouri, for the fiscal year ended October 31, 2019. We encourage readers to consider the information presented here in conjunction with the City's financial statements that follow this section. All amounts, unless otherwise indicated, are expressed in total dollars.

#### FINANCIAL HIGHLIGHTS

The assets and deferred outflows of resources of the City of Raymore, Missouri, exceeded its liabilities and deferred inflows of resources at the close of the most recent fiscal year by \$84,540,082. Of this amount, \$17,850,482 represents unrestricted net position and may be used to fund ongoing obligations.

Total net position decreased by \$355,866. This decrease is primarily attributable to depreciation on capital assets.

As of the close of the 2019 fiscal year, the City of Raymore, Missouri's combined governmental fund balances totaled \$13,758,867. This is a decrease from the previous fiscal year fund balance by \$3,816,938, primarily due to the completion of the GO bond projects in the Transportation Fund and the Park Fund. Revenues for the year and unassigned balances from prior years of the City were sufficient to pay current debt obligations, capital outlay, and current operating expenses.

Total long-term liabilities for the City of Raymore, Missouri, decreased during the current fiscal year by \$2,805,735. The City serviced all long-term obligations as planned.

#### **OVERVIEW OF THE FINANCIAL STATEMENTS**

This discussion and analysis is intended to serve as an introduction to the City of Raymore, Missouri's basic financial statements. The City of Raymore, Missouri's basic financial statement comprises three components: (1) government-wide financial statements, (2) fund financial statements, and (3) notes to the financial statements. This report also contains required supplementary information and other supplementary information in addition to the basic financial statements themselves.

#### **Government-Wide Financial Statements**

The government-wide financial statements are designed to provide readers with a broad overview of the City of Raymore, Missouri's finances, in a manner similar to a private-sector business.

The statement of net position presents information on all of the City of Raymore, Missouri's assets and liabilities, with the difference between the two reported as net position. Over time and in consideration of other factors from the notes to the financial statements, increases or decreases in net position may serve as a useful indicator of whether the financial position of the City of Raymore, Missouri, is improving or deteriorating.

#### **OVERVIEW OF THE FINANCIAL STATEMENTS** (Continued)

#### **Government-Wide Financial Statements** (Continued)

The statement of activities presents information showing how the government's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods (e.g., uncollected taxes and earned but unused vacation leave).

The government-wide financial statements distinguish functions of the City of Raymore, Missouri, that are principally supported by taxes and intergovernmental revenues (governmental activities) from other functions that are intended to recover all or a significant portion of their costs through user fees and charges (business-type activities). The governmental activities of the City of Raymore, Missouri, include general government, public safety (police), public works, community development, economic development, and parks and recreation, among other departments. Business-type activities of the City of Raymore, Missouri, include water and sewer operations.

The government-wide financial statements can be found beginning on page 23 of this report.

#### **Fund Financial Statements**

A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The City of Raymore, Missouri, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the funds of the City of Raymore, Missouri, can be divided into three categories: governmental funds, proprietary funds, and fiduciary funds.

#### **Governmental Funds**

Governmental funds are used to account for essentially the same functions reported as the governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating a government's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the government's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities.

#### **OVERVIEW OF THE FINANCIAL STATEMENTS** (Continued)

#### **Fund Financial Statements** (Continued)

#### **Governmental Funds** (Continued)

The City of Raymore, Missouri, maintains 20 individual governmental funds in six categories. The fund financial statements can be found beginning on page 27 of this report. Information for the General Fund, Parks and Recreation Fund, Transportation Fund, Debt Service Fund, and Capital Improvement Fund are presented separately in the governmental fund balance sheet and in the governmental fund statement of revenues, expenditures, and changes in fund balances, while the other funds are categorized under the headings of Nonmajor Governmental Funds. Specific data from the remaining funds is presented beginning on page 80 of the financial statements.

The City of Raymore, Missouri, adopts an annual appropriated budget for its General Fund and other funds. A budgetary statement has been provided within this analysis for the General Fund to demonstrate compliance with this budget for City departments represented by that fund. Actual expenses for the fund are included in the net position report. The budgetary amounts presented here include any amendments presented to the City Council during the fiscal year.

| Emergency Preparedness | 126,913   | 122,637   |

#### **OVERVIEW OF THE FINANCIAL STATEMENTS** (Continued)

#### **Fund Financial Statements** (Continued)

#### **Proprietary Funds**

The City of Raymore, Missouri, maintains five proprietary departments. Of these departments, the Enterprise Fund is used to report the same functions presented as business-type activities in the government-wide financial statements and is the primary operational fund associated with this group. The City of Raymore, Missouri, uses the Enterprise Fund to account for its combined water, sewer, and trash operations.

Proprietary funds provide the same type of information as the government-wide financial statements, only in more detail.

The basic proprietary fund financial statements can be found beginning on page 34 of this report.

#### Fiduciary Funds

Fiduciary funds are used to account for resources held for the benefit of parties outside the government. Fiduciary funds are not reflected in the government-wide financial statement because the resources of those funds are not available to support the City of Raymore, Missouri's own programs.

The accounting used for fiduciary funds is much like that used for proprietary funds and the funds are primarily represented by accounts which are held in escrow for development or development conditions. The basic fiduciary funds financial statement can be found on page 39 of this report.

#### Notes to the Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements. The notes to the financial statements can be found beginning on page 40 of this report.

#### **GOVERNMENT-WIDE FINANCIAL ANALYSIS**

As noted earlier, net position may serve over time as a useful indicator of the City's financial position. In the case of the City of Raymore, Missouri, assets exceeded liabilities by \$84,540,082 at the close of the fiscal year. The largest portion of the City of Raymore, Missouri's net position, 78.27%, reflects its net investment in capital assets (land, buildings, machinery, equipment, and infrastructure) less any related debt used to acquire those assets that is still outstanding.

The City of Raymore, Missouri, uses these capital assets to provide services to citizens; consequently, these assets are not available for future spending. Although the City of Raymore, Missouri's investment in capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

#### **GOVERNMENT-WIDE FINANCIAL ANALYSIS** (Continued)

#### **Governmental Activities**

#### **Current and Other Assets**

Total current and other assets decreased \$3.9 million, which were used to reduce long-term liabilities and purchase capital assets.

#### **Capital Assets**

Capital assets, net of accumulated depreciation, increased \$1.6 million for budgeted capital outlay projects and purchases. The City added \$6.5 million in capital outlay, which was offset by \$4.9 million in noncash depreciation expense.

#### Other Liabilities

Other liabilities decreased \$34 thousand due to the decrease of accrued expenses General Fund.

#### Net Pension Liability and Related Deferred Outflows and Inflows of Resources

Net pension liability decreased \$84 thousand and deferred outflow of resources increased \$220 thousand and deferred inflow of resources decreased \$196 thousand. All account balances are based from reports provided by LAGERS.

#### Long-Term Debt

Long-term debt decreased \$2.5 million due to debt service payments within the year.

#### **Net Position**

A portion of the City of Raymore, Missouri's net position represents resources that are subject to restrictions. The remaining balance of unrestricted net position may be used to meet the government's ongoing obligations to citizens and creditors. It should be noted that, in the operational funds General, Parks, and Enterprise, the City voluntarily "restricts" by policy 20% of the budgeted operational expenditures to ensure ongoing operations.

#### **Business-Type Activities**

#### **Current and Other Assets**

Total current and other assets decreased \$1 million, as major capital asset additions were conducted within the fiscal year.

#### Capital Assets

Capital assets, net of accumulated depreciation, decreased \$82 thousand as capital outlay purchases were less than depreciation expense.

#### **GOVERNMENT-WIDE FINANCIAL ANALYSIS** (Continued)

#### **Other Liabilities**

Other liabilities increased \$258 thousand. This was mainly attributable to an increase in trade accounts payable.

#### Net Pension Liability and related Deferred Outflows and Inflows of Resources

Net pension liability increased \$46 thousand and deferred outflows of resources increased \$20 thousand and deferred inflows of resources decreased \$18 thousand. All account balances are based on reports from LAGERS.

#### Long-Term Debt

Long-term debt decreased \$248 thousand due to debt service payments made within the year.

At the end of the current fiscal year, the City of Raymore, Missouri, was able to report positive balances in all three categories of net position, both for the government as a whole, as well as for its separate governmental and business-type activities. The same situation held true for the prior fiscal year.

#### **GOVERNMENT-WIDE FINANCIAL ANALYSIS** (Continued)

#### **Governmental Activities**

Governmental activities increased the City of Raymore, Missouri's net position by \$759,755 and the business-type activities decreased by \$1,115,621, leading to a current-year decrease of \$355,866 in total net position.

Revenues increased in the governmental activities primarily due to increases in property tax collections and also charges for services.

Expenses recorded in the City's governmental activities increased by approximately \$576,236 from the prior year.

#### **Business-Type Activities**

Business-type activities decreased the City of Raymore, Missouri's net position by \$1,115,621. The majority of this increase is attributable to the City's ongoing meter improvements. In the prior year, the City implemented the Sensus Meter Reading system which includes two redundant radio repeater stations. The City is working to convert all water meters to Sensus meters and electronic reading transmitters. This project will be complete in early fiscal year 2020.

#### FINANCIAL ANALYSIS OF THE GOVERNMENT'S FUNDS

As noted earlier, the City of Raymore, Missouri, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements.

#### **Governmental Funds**

The General Fund is the chief operating fund of the City of Raymore, Missouri. At the end of the current fiscal year, unassigned fund balance of the General Fund represented 75.10% of the entire \$3,623,958 General Fund balance. As a measure of the General Fund's liquidity, it may be useful to compare the total fund balance to total fund expenditures. Total fund balance represents 39.73% of the total General Fund expenditures of \$9,121,106.

The total fund balance in the City of Raymore, Missouri's General Fund decreased \$53,840 compared to the previous fiscal year. The key factor associated with this decrease was the transfers of assigned and committed funds from prior years to the Capital Projects Fund for expensing capital outlay.

The Parks and Recreation Fund has a total fund balance of \$1,020,909. The net decrease of \$2,356,116 was primarily due the expenses associated with the completion of the GO Bond projects.

The Transportation Fund has a total fund balance of \$1,604,925. The net decrease of \$210,718 was primarily due to the expense associated with the completion of GO Bond projects.

The Debt Service Fund has a total fund balance of \$2,103,992. The government's debt service levy on property for the fiscal year was .7170.

#### FINANCIAL ANALYSIS OF THE GOVERNMENT'S FUNDS (Continued)

#### **Governmental Funds** (Continued)

The Capital Improvement Fund has a total fund balance of \$1,276,203. The net increase of \$220.513 is primarily due a reduction in capital outlay expenditures.

The other nonmajor funds have a combined fund balance of \$4,128,880. The net decrease of \$1,247,814 was primarily associated with the purchase of solid waste and recycling containers for the City's solid waste service.

#### **Proprietary Fund**

The City of Raymore, Missouri's proprietary fund provides the same type of information found in the government-wide financial statements, but in more detail. The City of Raymore, Missouri, utilized five different proprietary departments. With these, the primary operating fund is the Enterprise Fund.

Unrestricted net position in this proprietary fund at the end of the year amounted to \$7,040,767. This is down from the previous year's amount of \$7,155,523. Total net position in this fund decreased by \$1,115,621. Other factors concerning the finances of this fund have already been addressed in the discussion of the City of Raymore, Missouri's business-type activities.

#### CAPITAL ASSET AND DEBT ADMINISTRATION

#### Capital Assets

The City of Raymore, Missouri's investment in capital assets for its governmental and business-type activities as of the end of the fiscal year was \$90,832,282 net of accumulated depreciation). This investment in capital assets includes land, construction in progress, buildings and system improvements, machinery and equipment, park facilities, roads, highways, and bridges.

The investment total listed below represents an increase of \$1,480,904 from the previous year. This increase is primarily attributable to capitalized assets that exceeded the amount of depreciation expense during the year.

Additional information on the City's capital assets can be found in the Note 3 on pages 52 to 54 of this report.

#### ECONOMIC FACTORS, NEXT YEAR'S BUDGET, AND RATES

General Fund revenues for fiscal year 2020 are projected to total \$9,973,444. This represents an overall conservative growth of 1.42% over the prior year budget. Most revenues, with the exception of the fees & permits and municipal court fees are projected to be higher this next fiscal year. The City continues to see a favorable growth increase in building permits which provides additional resources in many of our revenues.

General Fund budgeted 2020 expenditures are projected to total \$9,940,643 compared to \$10,782,248 in 2019. This represents a 7.81% decrease over the prior year. Of the 2020 amount, \$100,000 was interfund transfers directed by the Council utilizing unassigned fund balance.

Major capital projects will be funded from the various capital funds sales taxes as well as the \$100,000 transferred from the General Fund as directed by City Council.

In the business-type activities, the rates are set as follows: water \$6.38; sewer \$8.35 (volume) and \$8.80 (winter average). The rates are set on a cost of service break-even method to be reviewed and adjusted as needed due to the reliance on Kansas City, Missouri; Little Blue Valley Sewer District; and Middle Big Creek to provide water and sewer service respectively. On September 23, 2019, the City Council approved a \$0.17 decrease to the water rate and a \$0.44 increase to the sewer rate effective November 1, 2019.

The City will continue to monitor and respond to the ongoing changes in the economy.

#### REQUESTS FOR INFORMATION

This financial report is designed to provide a general overview of the City of Raymore, Missouri's finances. Questions concerning any of the information provided in this report or requests for additional financial information should be addressed to the Office of the Finance Director, 100 Municipal Circle, Raymore, Missouri 64083.

ω

# CITY OF RAYMORE, MISSOURI RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES, AND CHANGES IN FUND BALANCES OF GOVERNMENTAL FUNDS TO THE STATEMENT OF ACTIVITIES FOR THE YEAR ENDED OCTOBER 31, 2019

Amounts reported for governmental activities in the statement of activities are different because:

| Net change in fund balances - total governmental funds   |                                    | (3,816,938) |
|--|------------------------------------|-------------|
| Governmental funds report capital outlay as expenditures.  However, in the statement of activities, the cost of those assets is allocated over their estimated useful lives and reported as depreciation expense. This is the amount by which depreciation was less than capital outlay in the current period.  Expenses capitalized  Trade-in value differences  Depreciation | 6,358,475<br>81,415<br>(4,874,089) | 1,565,801   |
| Governmental funds report the proceeds from the disposal of assets as revenues. However, in the statement of activities, the revenues are reported less the amount of nondepreciated cost. This is the amount by which the cost exceeded any proceeds.   |                                    |             |
| Cost Accumulated depreciation  | (194,758)<br>192,270               | (2,488)     |
| Certain revenue that does not provide current financial resources is not reported as revenues in the funds as follows:   |                                    |             |
| Capital grants Property taxes  | (14,760)<br>(1,587)                | (16,347)    |
| Some expenses in the statement of activities that do not require the use of current financial resources and, therefore, are not reported as expenditures in governmental funds.  |                                    |             |
| Compensated absences   | (34,090)                           | (34,090)    |

## CITY OF RAYMORE, MISSOURI RECONCILIATION OF THE STATEMENT OF REVENUES, EXPENDITURES, AND CHANGES IN FUND BALANCES OF GOVERNMENTAL FUNDS TO THE STATEMENT OF ACTIVITIES FOR THE YEAR ENDED OCTOBER 31, 2019

Governmental funds report payments required for pension costs as expenditures. However, in the statement of activities, these costs are adjusted for the actuarial balances of the net pension asset or liability and the related deferred outflows and inflows of resources. This is the amount by which the reported pension expense by the pension plan exceeded the amounts paid into the plan.

Plan payments made by the City 910,948
Pension expense reported by the pension plan (409,985)

500,963

The issuance of long-term debt (e.g., bonds, loan, leases) provides current financial resources to governmental funds, while the repayment of the principal of long-term debt consumes the current financial resources of governental funds. Also, governmental funds report the effect of premiums, discounts, and similar items when debt is first issued, whereas these amounts are deferred and amortized in the statement of activities. In the statement of activities, interest is accrued on outstanding debt, whereas in the governmental funds, an interest expenditure is reported when due. The following is the detail of the net effect of these differences in the treatment of long-term debt and related items:

| Debt principal payments                   | 2,455,000 |
|---|-----------|
| Decrease in accrued bond interest expense | 10,304    |
| Amortization of premiums and discounts    | 97,550    |

2,562,854

CHANGE IN NET POSITION OF GOVERNMENTAL ACTIVITIES

759,755

See accompanying notes to financial statements.

#### NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the City of Raymore, Missouri (the City) have been prepared in conformity with accounting principles generally accepted in the United States of America (GAAP) as applied to government units. The Governmental Accounting Standards Board is the accepted standard setting body for establishing governmental accounting and financial reporting principles. The more significant of the City's accounting policies are described below.

#### A. REPORTING ENTITY

The City of Raymore, Missouri (the City) was incorporated in 1877 and covers an area of approximately twenty square miles in Cass County, Missouri. The City is a constitutionally approved charter city operating under the mayor/city manager/council form of government. The City Manager is the chief administrative officer of the City. The City provides services to its estimated 20,839 residents in many areas, including law enforcement, water and sewer services, community enrichment and development, and various social services. Fire protection services are provided by a fire district which is a separate governmental entity. Primary and secondary education services are provided by the Raymore-Peculiar School District, also a separate governmental entity.

In determining the financial reporting entity, the City complies with the provisions of Governmental Accounting Standards Board Statement No. 14, *The Financial Reporting Entity*, and includes all component units of which the City appointed a voting majority of the units' board and the City is either able to impose its will on the unit or a financial benefit or burden relationship exists.

The accompanying financial statements present the City's primary government and component units over which the City is financially accountable. Financial accountability is based primarily on operational or financial relationships with the City (as distinct from legal relationships). Component units are reported in the City's financial statements as follows:

#### **Blended Component Units**

#### Raymore Municipal Assistance Corporation

The Raymore Municipal Assistance Corporation (RAYMAC) was created to lessen the burden of the government of the City of Raymore, Missouri, by financing, acquiring, leasing, or subleasing property to the City. The City of Raymore, Missouri, is the sole member of RAYMAC and members of the Board of Directors are appointed by the Raymore City Council.

The financial activity of RAYMAC consists of leasehold revenue bonds issued, and a lease agreement with the City of Raymore, Missouri, to fund repayment of the bonds. Although it is legally separate from the City, RAYMAC is reported as if it were part of the primary government (blended) because its sole purpose is to serve the primary government exclusively.

#### NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### A. REPORTING ENTITY (Continued)

#### Discretely Presented Component Unit

#### **Galleria TIF District**

This reporting unit has separate corporate powers and accounts for the material transactions related to proceeds of the TIF notes issued to pay for the Galleria TIF District along with the tax proceeds and uses generated by the District. This District creates the potential for financial benefit and/or burden for the City. The Raymore City Council appoints all six members of the TIF Commission's Board of Directors. Separate financial statements are produced for the District and may be obtained from the City's Finance Administration office.

#### Hubach Hill and North Cass Parkway Transportation Development District

This reporting unit has separate corporate powers and accounts for the material transactions related to debt service of revenue bonds issued in 2009. The District currently has no revenue generated to service such debt, and the City transfers needed funds to the District as determined necessary. The District creates the potential for financial benefit and/or burden for the City. The Raymore City Council appoints a voting majority of the District's Board of Directors. The District has issued separate audited financial statements from which the information included in this report was taken from. Separate financial statements are produced for the District and may be obtained from the City's Finance Administration office.

#### Agency Fund

The City is voluntarily acting in a fiduciary capacity to account for the transactions of the Escrow Accounts. The Community Improvement Districts are to account for the collections and disbursements of incremental ad valorem taxes and corresponding bond payments related to projects under redevelopment contracts. The City is not financially responsible for the debt of the Districts and it is reported in the financial statements as an Agency Fund. The Escrow Accounts are to account for certain revenues received by the City that are not considered an asset of the City. Since the collections of money are not to be spent for City use, the Escrow Accounts are reported in the financial statements as an Agency Fund.

#### NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### B. BASIS OF PRESENTATION

#### **Government-Wide Statements**

The statement of net position and statement of activities report information on the City as a whole. They include all funds of the City except for fiduciary funds. The effects of interfund activity have been removed from these statements. Governmental activities, which normally are supported by taxes and intergovernmental revenues, are reported separately from business-type activities, which rely to a significant extent on fees and charges for support.

The statement of activities demonstrates the degree to which the direct expenditures of a given function or segment are offset by program revenues. Direct expenditures are those that are clearly identifiable with a specific function or segment. Program receipts include (1) charges to customers or applicants who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment and (2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Taxes and other items not properly included among program revenues are reported instead as general revenues. The City does not allocate indirect costs.

#### **Fund Financial Statements**

The accounts of the City are organized on the basis of funds, each of which is considered to be a separate accounting entity. The operations of each fund are accounted for by a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues or receipts, and expenditures or expenses, as appropriate. Government resources are allocated to, and accounted for in, individual funds based on the purpose for which they are to be spent and the means by which spending activities are controlled.

The emphasis in fund financial statements is on the major funds in either the governmental or business-type activities categories. GASB Statement No. 34 sets forth minimum criteria for the determination of major funds, which should have a specific community focus.

The funds of the City are described below:

#### **Governmental Fund Types**

Governmental funds are those through which most governmental functions of the City are financed. The acquisition, use, and balances of the City's expendable financial resources and the related liabilities (other than those in proprietary funds)

#### NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### B. BASIS OF PRESENTATION (Continued)

#### Fund Financial Statements (Continued)

#### **Governmental Fund Types** (Continued)

are accounted for through governmental funds. The measurement focus is upon determination of changes in financial position. The following are the City's governmental fund types:

General Fund - The General Fund is the principal operating fund of the City and accounts for all financial transactions not accounted for in other funds. The general operating expenditures, fixed charges, and capital improvement costs that are not paid through other funds are financed through revenues received by the General Fund.

Special Revenue Funds - The special revenue funds are used to account for revenues derived from specific taxes, governmental grants, or other revenue sources which are restricted to finance particular functions or activities of the City.

#### Major Special Revenue Funds

Parks and Recreation Fund - Accounts for the collection of program fees, access charges, concessions, a portion of general property taxes and special purpose sale tax revenues received and payments of expenditures for recreational services provided by the Parks and Recreation Board.

Transportation Fund - Established to account for intergovernmental road tax for construction and maintenance of City roads.

#### Nonmajor Special Revenue Funds

Development Projects Fund - Established to account for cash payments related to development districts which are expected to be repaid to the City by such districts.

Storm Water Sales Tax Fund - Established by vote of constituents to account for sales taxes received and expenditures for storm water control.

The Debt Service Fund accounts for the accumulation of resources used for the payment of principal, interest, and fiscal charges on long-term general obligation debt.

#### NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### B. BASIS OF PRESENTATION (Continued)

#### Fund Financial Statements (Continued)

#### **Governmental Fund Types** (Continued)

The Capital Projects Funds are used to account for financial resources segregated for the acquisition or construction of major capital facilities other than those financed by Enterprise Funds.

#### Major Capital Projects Fund

Capital Improvement Fund - Established to be used to construct or purchase capital assets.

#### Nonmajor Capital Projects Funds

Public Works Facility Fund - Established to construct and furnish new public works building.

Capital Projects Fund - Established to use excise tax to construct or purchase capital assets.

V.E.R.P. Fund - Established to purchase vehicles and equipment with transfers from other funds.

B.E.R.P. Fund - Established to purchase buildings and building improvements with transfers from other funds.

#### **Proprietary Fund Type**

Proprietary funds are used to account for the City's ongoing organizations and activities which are similar to those often found in the private sector. The measurement focus is based upon determination of net income.

The Water and Sanitary Sewer Fund accounts for operations that are financed and operated in a manner similar to private business enterprises where the intent of the governing body is that the costs (expenses including depreciation) of providing water and sewer services on a continuing basis be financed or recovered primarily through user charges on which the periodic determination of net income or loss is deemed appropriate.

#### NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### B. BASIS OF PRESENTATION (Continued)

Fund Financial Statements (Continued)

#### Fiduciary Fund Types

Fiduciary funds are used to account for assets for which the City acts in a trustee capacity or as an agent for individuals, other governmental units, and/or other funds.

The agency funds are custodial in nature and do not present results of operations or have a measurement focus. Agency funds are accounted for using the accrual basis of accounting. These funds are used to account for assets that the City holds for others in an agency capacity.

#### C. MEASUREMENT FOCUS, BASIS OF ACCOUNTING, AND BASIS OF PRESENTATION

The government-wide financial statements are reported using the economic resources management focus and the accrual basis of accounting, as are the proprietary fund financial statements. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of the related cash flows. Grants and similar items are recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible with the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the City considers revenues to be available if they are collected within 60 days of the end of the current period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures, as well as expenditures related to compensated absences and claims and judgments, are recorded only when payment is due.

Property tax, sales taxes, franchise taxes, licenses, and interest associated with the current period are all considered to be susceptible to accrual and so have been recognized as revenues of the current period. All other revenue items are considered to be measurable and available only when cash is received by the City.

Proprietary funds distinguish operating revenues and expenses from nonoperating items. Operating revenues and expenses generally result from providing services and producing and delivering goods in connection with the fund's principal ongoing operations.

#### NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

### C. MEASUREMENT FOCUS, BASIS OF ACCOUNTING, AND BASIS OF PRESENTATION (Continued)

When both restricted and unrestricted resources are available for use, it is the City's policy to use restricted resources first, and then unrestricted resources as they are needed.

As a general rule, the effect of interfund activity has been eliminated from the government-wide financial statements. Exceptions to this general rule are payments in lieu of taxes and other charges between the government's water and sewer function and various other functions of the government. Elimination of these charges would distort the direct costs and program revenues reported for the various functions concerned.

#### D. BUDGETS

Budgets for the City are prepared and adopted on the modified accrual basis of accounting for all governmental funds. The City Manager and Finance Director may make transfers of appropriations within a department. Transfers of appropriations between departments require the approval of the governing council. The City Council approved amendments to the budget during the year. The actual results of operations are presented in comparison to the budgets on the combined statement of revenues, expenditures, and changes in fund balances - budget and actual - all governmental fund types. All governmental funds, with the exception of the Development Projects and the Public Works Funds, have legally adopted annual budgets. Appropriations lapse at year end but may be re appropriated in the following year.

#### E. CASH AND INVESTMENTS

The City's cash and cash equivalents are considered to be cash on hand, demand deposits, and short-term investments with original maturities of three months or less. Certain cash and investment accounts are restricted for construction projects, debt service, and compliance with bond covenants.

The City's investment policies are structured to conform to Missouri Statute 30.270. The City is authorized to invest in Federal Agency discount notes, Federal Agency debt, Treasury Bills, Treasury notes and bonds, certificates of deposit at Commercial Banks and S & L Associations, and Repurchase Agreements. Investments are reported at fair value.

#### F. ACCOUNTS RECEIVABLE

Accounts receivable is stated net of allowances. Receivables in the fund statements include receivables to be collected within 60 days after year end.

#### NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### G. PREPAIDS AND INVENTORIES

Prepaid balances are for payments made by the City in the current year to provide services occurring in the subsequent fiscal year, and the reserve for prepaid items has been recognized to signify that a portion of fund balance is not available for other subsequent expenditures. Prepaid expenses are accounted for using the consumption method.

Inventories, consisting of materials and supplies, are reported at cost with use of the purchases method. Cost is determined using the first-in, first-out (FIFO) basis.

#### H. CAPITAL ASSETS

Capital assets are expensed when purchased for fund statement presentation in governmental funds. Capital assets purchased in the proprietary fund for fund statement presentation and in all government-wide financial statements are reported as an asset and depreciated.

As the City did not include capital asset accounting prior to October 31, 2003, a list of capital assets purchased prior to October 31, 2002, was prepared using various sources. Capital assets were valued at historical cost or estimated historical cost if actual was unavailable. Capital assets since October 31, 2003, are recorded at cost except for donated capital assets, which are recorded at their estimated acquisition value at the date of donation. In addition, certain capitalized projects that were conducted by the City's departments include administration and inspection fees, up to 6% of the construction costs.

Accumulated depreciation as of October 31, 2002, was established on capital assets purchased prior to October 31, 2002. Depreciation of all exhaustible capital assets is recorded as an expense in the statement of activities with accumulated depreciation reflected in the statement of net position. Depreciation is provided over the assets' estimated useful lives using the straight-line method of depreciation. A capitalization threshold of \$5,000 is used to report capital assets. The range of estimated useful lives by type of asset is as follows:

| Building and building improvements         | 25 - 50 years |
|--|---------------|
| Land improvements                          | 10 - 20 years |
| Office equipment and furniture             | 7 - 10 years  |
| Computer equipment, hardware, and software | 3 - 5 years   |
| Machinery and equipment                    | 7 - 15 years  |
| Vehicles                                   | 5 - 10 years  |
| Infrastructure                             | 30 - 40 years |

#### NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### I. LONG-TERM DEBT

In the government-wide and proprietary fund financial statements, outstanding debt is reported as liabilities. Bond discounts or premiums are capitalized and amortized over the terms of the respective bonds using a method that approximates the effective interest method.

The governmental fund financial statements recognize the proceeds of debt as other financing sources of the current period and payments of principal and interest are reported as expenditures. Issuance costs are reported as expenditures.

#### J. COMPENSATED ABSENCES

Under terms of the City's personnel policy, City employees are granted vacation and sick leave in varying amounts based upon length of service. In the event of termination, an employee is paid for accumulated vacation up to a maximum accumulation of 320 hours and is paid for one out of every four days of sick leave unused prior to date of termination.

#### K. EQUITY CLASSIFICATION

#### **Government-Wide Statements**

Net position is displayed in three components:

Net investment in capital assets consists of capital assets including restricted capital assets, net of accumulated depreciation and reduced by the outstanding balances of any bonds, mortgages, notes, or other borrowings that are attributable to the acquisition, construction, or improvement of those assets.

Restricted net position consists of net position with constraints placed on the use either by external groups, such as creditors, grantors, contributors, or laws and regulations of other governments, or through constitutional provision or enabling legislation.

Unrestricted net position consists of net position that do not meet the definition of restricted.

#### **Fund Financial Statements**

Governmental fund equity is classified as fund balance.

#### NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### K. EQUITY CLASSIFICATION (Continued)

#### <u>Fund Financial Statements</u> (Continued)

#### **Fund Balance Classification**

The governmental fund financial statements present fund balances based on classifications that comprise a hierarchy that is based primarily on the extent to which the City is bound to honor constraints on the specific purposes for which amounts in the respective governmental funds can be spent. The classifications used in the governmental fund financial statements are as follows:

#### **Nonspendable**

This classification includes amounts that cannot be spent because they either (a) are not in spendable form or (b) are legally or contractually required to be maintained intact.

#### Restricted

This classification includes amounts for which constraints have been placed on the use of the resources either (a) externally imposed by creditors (such as through a debt covenant), grantors, contributors, or laws and regulations of other governments or (b) imposed by law through constitutional provisions or enabling legislation.

#### Committed

This classification includes amounts that can be used only for specific purposes pursuant to constraints imposed by formal action of the City Council by means of an ordinance. These amounts cannot be used for any other purpose unless the Board removes or changes the specified use by taking the same type of action that was employed when the funds were initially committed. This classification also includes contractual obligations to the extent that existing resources have been specifically committed for use in satisfying those contractual requirements.

#### Assigned

This classification includes amounts that are constrained by the City's intent to be used for a specific purpose but are neither restricted nor committed. This intent can be expressed by the City Council or through the Council delegating this responsibility to the City Administrator through the budgetary process.

#### Unassigned

This classification includes the residual fund balance for the General Fund as it is the only fund that reports a positive, unassigned fund balance. However, in governmental funds other than the General Fund, if expenditures incurred for specific purposes exceed the amounts that are restricted, committed, or assigned to those purposes, it may be necessary to report a negative unassigned fund balance in that fund.

#### NOTE 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### K. EQUITY CLASSIFICATION (Continued)

#### Fund Financial Statements (Continued)

The City would typically use restricted fund balances first, followed by committed resources, and then assigned resources, as appropriate opportunities arise, but reserves the right to selectively spend unassigned resources first to defer the use of these other classified funds.

#### L. DEFERRED OUTFLOWS AND INFLOWS OF RESOURCES

The City reports decreases and increases in net position that relate to future periods as deferred outflows and inflows of resources in a separate section of its government-wide and proprietary funds statements of net position. The City has several calculations related to its pension plan that qualify for reporting in these categories, in addition to the amounts included in the current year's financial statements that are the result of prior year refunded debt for the original issues' discounts and premiums, which are being amortized over the remaining life of the original debt as a part of interest expense.

#### M. USE OF ESTIMATES

The preparation of basic financial statements in conformity with accounting principles generally accepted in the United States of America requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the basic financial statements and the reported amounts of revenues and expenses during the reporting period. Actual results could differ from those estimates.

#### N. INTERFUND TRANSACTIONS

During the course of normal operations, the City has transactions between funds, including expenditures and transfers of resources, to provide services and construct assets. Legally authorized transfers are included in the fund financial statements of both governmental and proprietary funds.

#### NOTE 2. CASH AND INVESTMENTS

The City maintains a cash and investment pool which is available for use by most funds. Each fund type's portion of this pool is displayed on the combined balance sheet as pooled cash and investments. Interest earned is allocated to the funds on the basis of month end cash and investment balances in those funds. Cash and investments are separately held by some of the City's funds.

The funds of the City must be deposited and invested under the terms of a contract, contents of which are set out in the Depository Contract Law. The depository bank places approved pledged securities for safekeeping and trust with the City's agent bank in an

#### NOTE 2. CASH AND INVESTMENTS (Continued)

amount sufficient to protect City funds on a day-to-day basis during the period of the contract. The pledge of approved securities is waived only to the extent of the depository bank's dollar amount of Federal Deposit Insurance Corporation (FDIC) insurance. Custo-dial credit risk for deposits is the risk that in the event of a failure of a depository financial institution, the City's deposits may not be returned or the City will not be able to recover collateral securities in the possession of any outside party. The City's policy requires deposits to be 100 percent secured by collateral valued at market less the amount covered by the FDIC. As of October 31, 2019, none of the City's bank balances with financial institutions were exposed to custodial credit risk.

#### Investments

Authorized Investments - The City is authorized to invest in Federal Agency discount notes, Federal Agency debt, Treasury Bills, Treasury notes and bonds, and certificates of deposit at Commercial Banks and S & L Associations, and Repurchase Agreements.

Interest Rate Risk - Interest rate risk is the risk that changes in market interest rates will adversely affect the fair value of an investment. Generally, the longer the maturity of an investment, the greater the sensitivity of its fair value to changes in market interest rates. As a means of limiting its exposure to fair value losses arising from rising interest rates, the City's investment policy requires operating funds to be invested to coincide with projected cash flow needs.

As of October 31, 2019, the City had the following investments.

| Investment Type   | Maturity<br>Date  | Yield<br>%  | Rating | Fair<br>Value  |
|---|---|---|--------|--|
| MOSIP Pool Certificate of deposit | N/A<br>9/12/2019<br>8/26/2019<br>6/29/2019<br>12/8/2018<br>11/21/2018<br>5/3/2019 | 2.410<br>1.950<br>2.000<br>1.750<br>2.800<br>2.700<br>2.310 | AAAm   | 4,208,227<br>2,000,000<br>2,000,000<br>687,644<br>2,500,000<br>2,000,000 |

#### Credit Risk

Generally, credit risk is the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization. All investments are securities of government-sponsored agencies.

Concentration of Credit Risk - The City's investment policy is to apply the prudent-person rule: Investments will be made with judgment and care, under the circumstances then prevailing, which persons of prudence, discretion, and intelligence exercise in the management of their own affairs, not for speculation but for investment, considering probable safety of their capital, as well as the probable income to be derived.

Bond escrow accounts are held and invested by escrow trust agencies which are required to invest as stated in accordance with state law.

#### NOTE 3. CAPITAL ASSETS

Capital asset activity for the year ended October 31, 2019, was as follows:

|   | Balance<br>November 1,<br>2018 | Additions | Deletions   | Balance<br>October 31,<br>2019 |
|---|--------------------------------|-----------|-------------|--------------------------------|

#### Revenue Bonds

On March 19, 2014, the District issued Tax Increment Refunding and Improvement Revenue Bonds, Series 2014A, in the amount of \$15,920,000 with interest rates ranging from 3.000% to 5.375%. Principal payments are due annually beginning on May 1, 2015, with semiannual interest payments each May 1 and November 1 beginning on November 1, 2014, until maturity on May 1, 2028. The bonds are to be repaid by payments in lieu of taxes (PILOT), economic activity tax revenues (EATS), and imposed sales taxes generated by the District. The purpose of these bonds was to refund through in-substance defeasance the 2005 series bonds and for project development costs associated with the Raymore Galleria Project. The bonds contain significant requirements for deposits of the issuance proceeds. This includes the deposit of \$9.077.694 to be held in trust by an escrow agent. which will pay the remaining principal and interest on the 2005 issuance when the bonds become due and callable. The District is in compliance with all significant requirements of the bond covenants.

11,765,000

On March 19, 2014, the District issued Subordinate Tax Increment Revenue Bonds, Series 2014B, in the amount of \$3,185,546 with an interest rate of 5.27%. The bonds are to be repaid by payments in lieu of taxes (PILOT) and economic activity tax revenues (EATS) in the hierarchy of required payments as disclosed in Section 402 of the Trust Indenture. This includes that reserves are maintained sufficient for the next succeeding interest and principal payments for the next two payment dates of the Series 2014A bonds. For any interest that is not paid semiannually, such interest will be compounded into the calculation of future interest on each future semiannual interest payment date.

#### NOTE 5. PROPERTY TAXES

The City's property tax is levied each November on the assessed value as of the prior January 1 for all property located in the City. Assessed valuations are established by the Cass County Assessor. The County collects the property tax and remits it to the City monthly.

The assessed value for property located in the City as of January 1, 2018, on which the fiscal year 2019 levy was based is as follows:

| Real estate       | 282,513,915 |
|-------------------|-------------|
| Personal property | 52,240,676  |
|                   | 334,754,591 |

The City is permitted by Missouri State Statutes to levy taxes up to \$1.00 per \$100 of assessed valuation for general governmental services other than payment of principal and interest on long-term debt, up to \$0.20 for recreation, and in unlimited amounts for the payment of principal and interest on long-term debt. The City's property tax levies for the year ended October 31, 2019, per \$100 assessed valuation, were as follows:

| General Operating    | .4480         |
|----------------------|---------------|
| Parks and Recreation | .1206         |
| Debt Service         | <u>.7170</u>  |
|                      | <u>1.2856</u> |

#### NOTE 5. PROPERTY TAXES (Continued)

Property taxes may attach as an enforceable lien on property as of January 1. Taxes are levied no later than November 1 and are due and payable at that time. All unpaid taxes levied by November 1 become delinquent January 1 of the following year.

#### NOTE 6. INTERFUND TRANSACTIONS

|                      |              |            |           |          |          |            |           |
| Total                | 1,521,007    | 100,000    | 33,000    | 708,000  | 629,237  | 417,924    | 3,409,168 |

Transfers are used to move revenues from the fund that statute or budget requires to collect them to the fund that statute or budget requires to expend them, and to use unrestricted revenues collected in the General Fund to finance various programs accounted for in other funds in accordance with budgetary authorizations. In addition, the Capital Improvement Fund transferred \$571,817 to the Hubach Hill and North Cass Parkway Transportation Development District (a discretely presented component unit of the City) to assist in the payment of scheduled debt service as recorded in the fund statements and the statement of activities.

#### NOTE 7. PENSION PLAN

#### Plan Description

The City of Raymore, Missouri, contributes to the Missouri Local Government Employees Retirement System (LAGERS). LAGERS is an agent multi-employer, statewide public employee retirement plan for units of local government which is legally separate and fiscally independent of the state of Missouri. LAGERS was established in 1967 and is administered in accordance with RSMo. 70.600-70.755. LAGERS serves 758 local participating employers. These participating employers include 309 cities, 60 counties, and 346 other public entities during the plan year ended June 30, 2019.

#### NOTE 7. PENSION PLAN (Continued)

Responsibility for the operation and administration of the plan is vested in the LAGERS Board of Trustees consisting of seven persons. Three trustees are elected by the employees who participate in the system, three trustees are elected by the members of the governing bodies of those political subdivisions which participate in the system and one trustee is appointed by the governor. The regular term of office for members of the LAGERS Board of Trustees is four years. Members of the LAGERS Board of Trustees serve without compensation with respect to their duties, but are reimbursed by LAGERS for their actual and necessary expenses incurred in the performance of their duties.

For the City's year ending October 31, 2019, the net pension asset/liability is based on an actuarial valuation performed as of February 28, 2019, and a measurement date of June 30, 2019.

At the date the actuarial valuation was performed, the City had 96 active members; 75 inactive members entitled to but not yet receiving benefits, and 54 inactive members (or their beneficiaries) who are currently receiving benefits.

#### Benefits Provided

LAGERS provides retirement, death, and disability benefits to employees of participating political subdivisions. All benefits vests after 5 years of service. Employees who retire on or after age 60 (55 for police) with 5 or more years of service are entitled to an allowance for life based upon the benefit program then in effect for their political subdivision. Employees may retire with an early retirement benefit with a minimum of 5 years of credited service and after attaining age 55 (50 for police) and receive a reduced allowance. The LAGERS Board of Trustees establishes the benefit plans and provisions that are available for adoption. The political subdivision's governing body adopts all benefits of the plan. Benefit terms provide for annual post retirement adjustments to each member's retirement allowance subsequent to the member's retirement date. The annual adjustment is based on the increase in the Consumer Price Index and is limited to 4% per year.

#### **Contributions**

Each participating unit of government is obligated by state law to make all required contributions to the plan. The required contributions are actuarially determined using the individual entry-age actuarial cost method. There are no long-term contracts for contributions to the plan. All actuarial liabilities are amortized over a period of 30 years or less. Administrative costs of LAGERS are financed through investment earnings of the system. Employee contributions are determined at the election of the governing body of the local government. Should the governing body elect to participate in the contributory plan, all employees must contribute four percent of gross salary. The governing body may elect to participate in the noncontributory plan which would result in no employee contributions.

#### NOTE 7. PENSION PLAN (Continued)

#### **Actuarial Assumptions**

The pension liability for the June 30, 2019, measurement date was determined using the following actuarial assumptions applied to the measurement:

Actuarial Cost Method Entry Age Normal and Modified Terminal Funding

Amortization Method A level percentage of payroll amortization method

is used to amortize the UAAL over a closed period of years. If the UAAL (excluding the UAAL associated with benefit changes) is negative, then this amount is amortized over the greater of (i) the remaining initial amortization period or (ii) 15 years.

Remaining Amortization Period Multiple bases from 15 to 17 years

Asset Valuation Method 5-Year smoothed market; 20% corridor

Inflation 3.25% wage inflation; 2.50% price inflation

Salary Increases 3.25% to 6.55% including wage inflation

Investment Rate of Return 7.25%, net of investment expenses

Retirement Age Experience-based table of rates that are specific

to the type of eligibility condition.

Mortality The healthy retiree mortality tables, for postretire-

ment mortality, were the RP-2014 Healthy Annuitant mortality table for males and females. The disabled retiree mortality tables, for postretirement mortality, were the RP-2014 disabled mortality table for males and females. The preretirement mortality tables used were the RP-2014 employees' mortality table

for males and females.

Both the postretirement and preretirement tables were adjusted for mortality improvement back to the observation period base year of 2006. The base year for males was then established to be 2017. Mortality rates for a particular calendar year are determined by applying the MP-2015 mortality improvement scale to the above described tables.

Other information None.

#### NOTE 7. PENSION PLAN (Continued)

#### **Discount Rate**

Projected benefit payments are required to be discounted to their actuarial present values using a single discount rate that reflects (1) a long-term expected rate of return on pension plan investments and (2) tax-exempt municipal bond rate based on an index of 20-year general obligation bonds with an average AA credit rating as of the measurement date (to the extent that the plan's projected fiduciary net position is not sufficient to pay benefits). The expected rate of return on pension investments is 7.25%; the municipal bond rate is 3.13% (based on the weekly rate closest to but not later than the measurement date of the "20-Year Municipal GO AA Index" rate from Fidelity; and the resulting single discount rate is 7.25% for the General and Police Divisions.

This rate considers the ability of the plan to meet benefit obligations in the future. To make this determination, employer contributions, employee contributions, benefit payments, expenses, and investment returns are projected into the future. The Plan net position (assets) in future years can then be determined and compared to its obligation to make benefit payments in those years. As long as assets are projected to be on hand in a future year, the assumed valuation discount rate is used. In years where assets are not projected to be sufficient to meet benefit payments, the use of a "risk-free" rate is required, as described in the preceding paragraph.

LAGERS has provided tables to the City that provide background for the development of the single discount rate. These tables are described as follows:

The Projection of Contributions table shows the development of expected contributions in future years. Normal cost contributions for future hires are not included (nor are their liabilities).

The Projection of Plan Fiduciary Net Position table shows the development of expected asset levels in future years.

The Present Values of Projected Benefit Payments table shows the development of the Single Discount Rate (SDR). It breaks down the benefit payments into present values for funded and unfunded portions and shows the equivalent total at the SDR.

#### **Assumed Asset Allocation**

Activities undertaken by LAGERS Investment Team include setting and implementing investment strategies, appointing and dismissing investment managers, monitoring investment allocation, liquidity, and performance; and ensuring safekeeping of assets.

#### NOTE 7. PENSION PLAN (Continued)

#### <u>Assumed Asset Allocation</u> (Continued)

To achieve the goal of a 7.25% long-term rate of return, LAGERS Investment Team sets an investment strategy which is devised after analyzing the long-term view of the market and consulting with LAGERS' Board of Trustees. The assumed asset allocation is as follows:

| Equities           | 42.00% |
|--------------------|--------|
| Fixed Income       | 21.00% |
| Real Assets/Return | 30.00% |
| Strategic          | 7.00%  |

#### **Deferred Outflows and Inflows of Resources**

The balances of deferred outflows and inflows of resources to be recognized in future pension expense consists of the following:

#### **Deferred Outflows of Resources**

| Net difference between projected and actual earnings on pension plan investments |           |
|--|-----------|
| Changes in assumptions   | 170,812   |
| Differences between expected and actual  |           |
| experience   | 595,368   |
| Employer contributions subsequent to the   |           |
| measurement  | 324,891   |
|  | 1,091,071 |
|  |           |
| <u>Deferred Inflows of Resources</u>   |           |
| Net difference between projected and actual                                      |           |
| earnings on pension plan investments   | 557,671   |
| Changes in assumptions   | 85,051    |
| Differences between expected and actual  |           |
| experience   | 209,933   |
|  | 852,655   |
|  |           |
| Net deferred outflows (inflows) of resources                                     | 238,416   |

\$324,891 reported as deferred outflows of resources related to pensions resulting from City contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability in the year ended October 31, 2020.

#### NOTE 7. PENSION PLAN (Continued)

#### <u>Deferred Outflows and Inflows of Resources</u> (Continued)

Other amounts reported as net deferred outflows (inflows) of resources by year to be recognized in future pension expenses:

| Years Ending<br>October 31,  | Outflows (Inflows) of Resources |
|--|---------------------------------|
| 2020   | 110,881                         |
| 2021   | (265,420)                       |
| 2022   | (76,054)                        |
| 2023   | 102,431                         |
| 2024   | 41,687                          |
| Total  | (86,475)                        |
| Changes in Net Pension Liability   |                                 |
| Total Pension Liability  |                                 |
| Service cost   | 616,965                         |
| Interest on total pension liability  | 1,613,399                       |
| Difference between expected and actual   | 525 700                         |
| experience of the total pension liability Benefit payments, including refunds of | 535,799                         |
| employee contributions   | (699,986)                       |
| Net change in total pension liability  | 2,066,177                       |
| Total pension liability, beginning   | 22,294,570                      |
| Total pension liability, ending  | 24,360,747                      |
|  |                                 |
| Contributions - employer   | 948,297                         |
| Net investment income  | 1,416,370                       |
| Benefit payments, including refunds of   |                                 |
| employee contributions   | (699,986)                       |
| Pension plan administrative expense  | (24,159)                        |
| Other  | 464,038                         |
| Net change in plan fiduciary net position  | 2,104,560                       |
| Plan fiduciary net position, beginning   | 20,749,628                      |
| Plan fiduciary net position, ending  | 22,854,188                      |
| Net Pension Liability  | 1,506,559                       |

Funds typically used to liquidate pension liabilities include the General Fund, Parks and Recreation Fund, Transportation Fund, and Enterprise Fund.

#### NOTE 7. PENSION PLAN (Continued)

#### Pension Liability Sensitivity

The following table presents the net pension asset (liability) for the City's proportionate share of the net pension asset (liability) as of June 30, 2019, calculated using the discount rate of 7.25% for the General and Police Divisions, as well as what the pension plan's net pension liability would be if it were calculated using a discount rate that is 1-percentage-point lower or 1-percentage-point higher than the current rate:

|                                  | 1.00%     | Current   | 1.00%       |
|----------------------------------|-----------|-----------|-------------|
|                                  | Decrease  | Rate      | Increase    |
|                                  | (6.25%)   | (7.25%)   | (8.25%)     |
| General Division Police Division | 3,604,502 | 957,968   | (1,195,961) |
|                                  | 1,960,033 | 548,591   | (590,748)   |
|                                  | 5,564,535 | 1,506,559 | (1,786,709) |

#### Pension Plan Fiduciary Net Position

Additional financial and actuarial information supporting the preparation of the schedule of changes in fiduciary net position is included in the System's Comprehensive Annual Financial Report for the year ended June 30, 2019. The Comprehensive Annual Financial Report can be obtained at www.molagers.org or from Missouri Local Area Government Employee Retirement System (LAGERS), P.O. Box 1665, Jefferson City, MO 65102.

#### NOTE 8. DEFERRED COMPENSATION PLAN

The City offers its employees a deferred compensation plan created in accordance with Internal Revenue Code Section 457. The plan, available to all City employees, permits them to defer a portion of their salary until future years. Participation in the plan is optional. The deferred compensation is not available to employees until termination, retirement, death, or unforeseeable emergency.

All amounts of compensation deferred under the plan, all property and rights purchased with those amounts, and all income attributable to those amounts, property, or rights are solely the property and rights of the participants. Investments are managed by the Plan's trustee under several investment options. The choice of the investment options is made by the participants.

#### NOTE 9. RISK MANAGEMENT

The City is a member of the Mid-America Regional Council Insurance Trust (MARCIT), a not-for-profit corporation consisting of local governments and political subdivisions. MARCIT was formed as a public entity risk retention pool operating as a common risk management and insurance program to cover health and dental, workers' compensation, and property and casualty claims for its members.

#### NOTE 9. RISK MANAGEMENT (Continued)

MARCIT has been established as assessable pools, and accounting records are maintained for each line of coverage on a policy-year basis. The City pays annual premiums to MARCIT for all coverage types.

The agreement with MARCIT provides that MARCIT will be self-sustaining through member premiums. MARCIT has the authority to assess members for any deficiencies of revenues under expenses for any single plan year. Likewise, MARCIT has the authority to declare refunds to members for the excess of revenues over expenses relating to any single plan year. MARCIT has not had deficiencies in any of the past three fiscal years. The City has not incurred any claims which have exceeded its coverage in any of the past three fiscal years.

#### NOTE 10. NET POSITION AND FUND BALANCES

Governmental activities and business-type activities net position categories for net investment in capital assets and restricted net position are calculated as follows:

| Governm   | 71               |
|---|------------------|
| Activit   | ies Activities   |
| Net investment in capital assets                |                  |
| Long-term liabilities due within one year 2,769 | 9,530 160,470    |
| Long-term liabilities due in more than          |                  |
| one year 22,393                                 | 3,346 945,000    |
| Less compensated absences (590                  | ),980) (20,470)  |
| Less unspent bond proceeds                      |                  |
| Park and Recreation Fund (49                    | 9,259)           |
| Transportation Fund (941                        | L,177)           |
| 23,581  | L,460 1,085,000  |
| Capital assets 66,184                           | 1,330 24,647,952 |
| Net investment in capital assets 42,602         | 2,870 23,562,952 |
| Restricted for:                                 |                  |
| Capital projects 1,406                          | 6.107            |
| Less unspent bond proceeds included             | - , -            |
| ·   | 0,436)           |
| Capital projects 415                            | 5,671            |
|   | L,250 106,857    |
| Restricted net position 416                     | 5,921 106,857    |

#### NOTE 10. NET POSITION AND FUND BALANCES (Continued)

Governmental fund balances that are restricted, committed, and assigned are further described with their specific purpose as follows:

|                             | Restricted | Committed | Assigned  |
|-----------------------------|------------|-----------|-----------|
| General Fund                |            |           |           |
| Debt service                | 100,000    |           |           |
| Contingencies               |            |           | 12,101    |
| Growth                      |            |           | 135,556   |
| Development                 |            |           | 150,000   |
| Operations                  | 23,689     | 60,842    | 217,293   |

#### NOTE 11. COMPLIANCE WITH MISSOURI STATUTES

Missouri House Bill No. 103 amending RSMo Section 302.341.2 became effective on August 28, 2013. The amendments to the statute now require municipalities to report an accounting of the percent of "annual general operating revenue" from fines and costs for traffic violations.

| Fines and costs for traffic violations                 | 240,504    |
|--|------------|
| Annual general operating revenue                       | 12,755,057 |
| Fines and costs for traffic violations as a percentage |            |
| of annual general operating revenue                    | 1.89%      |

#### NOTE 12. LITIGATION

As of April 13, 2020, the City had unsettled litigation and claims. The unsettled claims are at various stages, and at this time, the City believes any adverse results would not have a material impact to the financial statements. The City is vigorously defending each unsettled claim.

#### NOTE 13. COMMITMENTS

As of October 31, 2019, the City had outstanding commitments totaling \$3,482,032 for various contracts and/or purchase orders.

#### NOTE 14. TAX ABATEMENTS

The City is authorized pursuant to sections 99.800 through 99.865 of the Revised Statutes of Missouri, as amended, and the Real Property Tax Increment Allocation Redevelopment Act (the "TIF Act") to provide for the redevelopment of certain areas through the mechanism of tax increment allocation financing.

The City has established the Tax Increment Financing Commission of the City of Raymore, Missouri (the "TIF Commission") and, following duly advertised public hearings held by the TIF Commission pursuant to the TIF Act, and upon recommendation of the TIF Commission, the Council of the City can adopt ordinances for redevelopment plans in the TIF area.

#### Highway 58 West Extended Redevelopment Plan

On January 24, 2005, the City of Raymore, Missouri, adopted an ordinance approving a redevelopment plan entitled "Redevelopment Plan for 58 Highway West Extended Redevelopment (TIF) Area." The Plan provides for the construction of redevelopment projects for approximately \$71,800,000 and anticipated TIF Reimbursable Project Costs of \$13,761,822.

The Plan relies on the abatement of additional revenue from taxes that are imposed by the City or other Taxing Districts, which are generated by the economic activities within the Redevelopment Area, while tax increment financing remains in effect, excluding licenses, fees, or special assessments, other than payments in lieu of taxes, until the designation is terminated (Economic Activity Taxes).

In addition, the Plan relies on revenues from real property in the Redevelopment Area, which revenues are to be used to retire TIF obligations and pay other reimbursable project costs, which Taxing Districts would have received had the City not adopted tax increment allocation financing, and which would result from levies made after the time of the adoption of the tax increment allocation financing during the time the current equalized value of real property in the Redevelopment Area exceeds the Total Initial Equalized Value of real property in such area until the designation is terminated (Payment in Lieu of Taxes).

Aggregate annual principal and interest payments applicable to the TIF Bonds are disclosed in Note 4.

#### NOTE 14. TAX ABATEMENTS (Continued)

For the ended October 31, 2019, the City abated taxes as follows:

| Tax Abatement Program    | Amount Abated |
|--------------------------|---------------|
| Economic activity taxes  | 1,745,731     |
| Payment in lieu of taxes | 366,074       |

#### NOTE 15. SUBSEQUENT EVENTS

Subsequent to year end, the City refinanced the Hubach Hill TDD 2010 Infrastructure Improvement Bonds. The long-term debt was refinanced in the name of the City of Raymore, Missouri, in order to secure better terms. There was no change in the Cooperative Agreement between the City and the District. The interest rate on the reduced bonds ranges from 2% to 4% over the life of the debt. The new issuance consists of \$5,870,000 Special Obligation Refunding Bonds including a premium of \$167,953, which will be used with the restricted cash balance of \$772,080 to pay the remaining debt principal, interest, and other debt issuance costs.

Principal and interest requirements to service the new debt are as follows:

| Years Ending<br>October 31, | Principal | Interest  |
|-----------------------------|-----------|-----------|
| 2020                        | 205,000   | 132,433   |
| 2021                        | 255,000   | 153,962   |
| 2022                        | 265,000   | 143,762   |
| 2023                        | 280,000   | 133,162   |
| 2024                        | 290,000   | 121,962   |
| 2025 - 2029                 | 1,605,000 | 447,013   |
| 2030 - 2034                 | 1,795,000 | 256,888   |
| 2035 - 2037                 | 1,175,000 | 55,688    |
|                             | 5,870,000 | 1,444,870 |

In preparing the financial statements, the City has evaluated events and transactions for potential recognition or disclosure through April 13, 2020, the date the financial statements were available to be issued.

#### CITY OF RAYMORE, MISSOURI NOTES TO BUDGETARY COMPARISON SCHEDULES

The reported budgetary data represents the final approved budget after amendments, as adopted by the City Council. The City follows these procedures in establishing the budgetary data reflected in the basic financial statements.

Prior to October 1, the budget officer submits to the City Council a proposed operating budget for the fiscal year commencing the following November 1. The operating budget includes proposed expenditures and the means of financing them.

A public hearing is conducted to obtain taxpayer comments. Prior to this hearing, the budget document is made available for public inspection.

Prior to November 1, the budget is legally enacted through passage of an ordinance.

Any transfer of budgeted amounts between object levels within any fund or any revisions that alter the total expenditures of any fund must be approved by the City Council. Overspending of budgeted object levels within a department must be approved by the Finance Director and/or City Manager.

Budgets are prepared on the modified accrual basis of accounting which corresponds to the fund statements.

Actual expenditures may not legally exceed the budgeted fund unless approved by Council action or for projects approved in a prior year budget.

Statistical Section

#### CITY OF RAYMORE, MISSOURI STATISTICAL SECTION (Unaudited)

This part of the City of Raymore's comprehensive annual financial report presents detailed information as a context for understanding what the information in the financial statements, note disclosures, and required supplementary information says about the City's overall financial health.

| Contents   | Page      |
|--|-----------|
| Financial Trends These schedules contain trend information to help the reader understand how the City's financial performance and wellbeing have changed over time.  | 87 - 91   |
| Revenue Trends These schedules contain information to help the reader assess the City's most significant own-source revenue, the property tax.   | 92 - 97   |
| Debt Capacity These schedules present information to help the reader assess the affordability of the City's current levels of outstanding debt and the City's ability to issue additional debt in the future.                            | 98 - 102  |
| Demographic and Economic Information  These schedules offer demographic and economic indicators to help the reader understand the environment within which the City's financial activities take place.                                   | 103 - 104 |
| Operating Information These schedules contain service and infrastructure data to help the reader understand how the information in the City's financial report relates to the services the City provides and the activities it performs. | 105 - 108 |

Sources: Unless otherwise noted, the information in these schedules is derived from the comprehensive annual financial reports for the relevant year. The City implemented GASB 54 in fiscal year 2011; schedules that include governmental fund balance classifications for fiscal years prior to 2011 are presented on pre-GASB 54 format; schedules that refer to net position for fiscal years prior to 2013 are presented on pre-GASB 63 format; and schedules that include capitalized bond issue and related costs for fiscal years prior to 2013 are presented on pre-GASB 65 format.

Note: Information presented in this section is required by GASB 44 to include current year plus nine years of previous data.

<sup>1.</sup> Overlapping rates are those of local, county, and state governments that apply to property owners within the City of Raymore. Not all overlapping rates apply to all City of Raymore property owners (e.g., the rates for special districts apply only to the proportion of the government's property owners whose property is located within the geographic boundaries of the special district).

<sup>2.</sup> The City has other special districts that have not imposed levies or do not currently have any taxable property.

| Governmental Unit   | Debt<br>Outstanding | Estimated<br>Percentage<br>Applicable | Estimated<br>Share of<br>Overlapping<br>Debt |
|---|---------------------|---------------------------------------|--|
| Debt repaid with property taxes<br>Raymore-Peculiar School District | 47,300,000          | 83.01%                                | 39,263,730                                   |
| City of Raymore, Missouri, Direct Debt                              |                     |                                       | 24,571,895                                   |
| Total direct and overlapping debt                                   |                     |                                       | 63,835,625                                   |

Note: The school district is the only outstanding, overlapping debt paid by property taxes. The County and all other levying districts do not use property tax for outstanding debt or have no outstanding debt.

Method of calculation: The estimated percentage applicable is the ratio of property valuation for the City compared to the total property valuation of the school district. This ratio is then multiplied by the school district's total debt outstanding to calculate the taxpayers share of the City of Raymore's debt.

Note: Article 6, Section 26(b and c) of the Missouri Constitution permits any county or city, by vote of four-sevenths of qualified electors thereon, to incur an indebtedness for city purposes not to exceed 5 percent of the value of the taxable tangible property therein.

Note: Article 6, Section 26(d and e) of the Missouri Constitution permits any city to become indebted not exceeding in the aggregate an additional 10 percent of the value of the taxable tangible property for the purpose of acquiring right-of-ways, construction of waterworks, electric plants, or other light plants provided the total general obligated indebtedness of the city does not exceed 20 percent of the assessed valuation.

# INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Honorable Mayor and Members of the City Council City of Raymore, Missouri

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the City of Raymore, Missouri, which comprise the governmental activities, the business-type activities, the aggregate discretely presented component units, each major fund, and the aggregate remaining fund information as of and for the year ended October 31, 2019, and have issued our report thereon dated April 13, 2020.

#### Internal Control Over Financial Reporting

In planning and performing our audit, we considered the City of Raymore, Missouri's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the City's internal control. Accordingly, we do not express an opinion on the effectiveness of the City's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A material weakness is a deficiency, or a combination of deficiencies, in internal control such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected, on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control over financial reporting that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified. We identified a certain deficiency in internal control, described in the accompanying schedule of findings and responses, that we consider to be a significant deficiency as item 2019-001.

### **Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the City of Raymore, Missouri's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grants, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance that are required to be reported under *Government Auditing Standards*.

## City of Raymore, Missouri's Response to Findings

The City of Raymore, Missouri's response to the findings identified in our audit is described in the accompanying schedule of findings and responses. We did not audit the City of Raymore, Missouri's response, and accordingly, we express no opinion on it.

#### Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

Dana Flole+Company, LLP

Overland Park, Kansas April 13, 2020

# CITY OF RAYMORE, MISSOURI SCHEDULE OF FINDINGS AND RESPONSES YEAR ENDED OCTOBER 31, 2019

#### 2019-001 CONTROL OVER THE FINANCIAL REPORTING PROCESS

#### Criteria

As described in our engagement letter, management is responsible for establishing and maintaining internal controls, including monitoring, and for the fair presentation of financial statements, including the notes to the financial statements, in conformity with accounting principles generally accepted in the United States of America.

#### **Condition and Context**

Management should possess the ability to prepare the entire financial statement package in accordance with accounting principles generally accepted in the United States of America. This requires that management possess the ability to prepare the entire financial statement package, including related disclosures and supplemental information without the assistance from the auditors. The auditors drafted the financial statement section related to the government-wide statements and a portion of the related note disclosures from a trial balance and other documentation provided by City personnel.

#### Cause

City personnel do not obtain the expertise necessary to draft the entire year end financial statements including the notes to the financial statements.

#### **Potential Effect**

The potential exists that a material misstatement of the financial statements could occur and not be prevented or detected by the City's internal control.

#### Recommendation

We recommend that the City review and approve the adequacy of financial statement disclosures prepared by the auditors and apply analytic procedures to the draft financial statements to ensure that all assets and liabilities of the City are recorded, among other procedures as considered necessary by management.

#### Views of Responsible Officials and Corrective Action Plan

The City relies on the auditor to prepare the government-wide financial statements including the related note disclosures. The City reviews such financial statements and approves all adjustments. The City also uses analytic procedures among other procedures necessary to complete the management discussion and analysis. City personnel have drafted the fund financial statements, majority of note disclosures, budgetary comparison schedules, and other supplementary information.

# CITY OF RAYMORE, MISSOURI SUMMARY SCHEDULE OF PRIOR AUDIT FINDINGS YEAR ENDED OCTOBER 31, 2019

#### 2018-001 CONTROL OVER THE FINANCIAL REPORTING PROCESS

Management should possess the ability to prepare financial statements in accordance with accounting principles generally accepted in the United States of America. The preparation of financial statements under this basis of accounting requires that management possess the ability to prepare the financial statements and related disclosures without the assistance from the auditors. We recommended that the City review and approve the adequacy of financial statement disclosures prepared by the auditors and apply analytic procedures to the draft financial statements to ensure that all assets and liabilities of the City are recorded, among other procedures as considered necessary by management. This is a similar finding as noted in the schedule of findings and responses as item 2019-001 for the year ending October 31, 2019.
