## **Background / Justification:**

In 2008, the Park Board proposed, and the Council approved, a system of regulations that would allow a not-for-profit group to host an event in the parks in which alcohol was served under certain conditions.

Alcohol In the Park Policy Review

In 2016, the policy was reviewed by the Park Board. The approval process included consideration at the Park Board level, where the Board will make a recommendation to the Council, followed by the Council's consideration of the request. The Council ultimately makes the decision on whether or not to permit each organization on a case by case basis.

City staff recently completed a thorough update of the Municipal Code. These recommendations were approved by the Park Board (when applicable) and City Council. New changes no longer require the approval of the City Council to allow alcohol in the park. The Department's application process approved by the Parks and Recreation Board is sufficient.

Staff has updated the policy and requests Park Board review and approval.

Financial Impact: NA

Staff recommends approval for the updated Alcohol in the Park policy.

# RAYMORE PARKS AND RECREATION ALCOHOL POLICY – OUTDOOR FACILITIES

Location: Cass County, Missouri, part of the Kansas City Metropolitan area

Agency: Raymore Parks and Recreation Department

Population Profile: See attached

#### I. STATEMENT OF NEED

There has been interest among not-for-profit groups to host special events in the parks that offer alcohol to event-goers. The Parks and Recreation Board has determined that there is a need to designate a policy for the reservation of such events to protect event-goers, parkneighbors, and the City of Raymore from liability, misuse, and potential conflict. This policy is meant to serve as a guiding document for those organizations planning their events so that the Park Board's direction is documented and can ensure that organizations understand the requirements of the Parks and Recreation Board as they pursue City Council approval to host such an event.

The Parks and Recreation Board has created a policy authorizing staff to issue a special use permit for authorized groups to host events in the parks that offer alcohol to event-goers. This policy follows Raymore Municipal Code and State of Missouri guidelines.

#### II. AUTHORITY AND RESPONSIBILITY

Raymore Parks and Recreation Board approves all policies and fee schedules. It is the mission of the Parks and Recreation Board to provide a wide variety of recreation program offerings to the citizens of Raymore.

## III. STATEMENT OF PHILOSOPHY

The philosophy of Raymore's Parks and Recreation Board is that there are appropriate times for alcohol to be consumed during outdoor special events held in City parks. Since the special events would require the Department to reserve the park areas for the exclusive use of the organization for the event period, the fees regularly associated with the rental of the special events shall be applicable to the reservation for such special event. Further, sale and

Last Revision: Draft, June 22, 2021 April 26, 2016

consumption of alcohol in the City limits requires the licensure of any and all hosting organizations, contracted caterers, and the like, thus appropriate state and local licensure shall be required.

## IV. SPECIAL EVENTS ON PARK PROPERTY SERVING ALCOHOL

- Approval Process: City Council approval is required. Applicants must provide required documentation and meet all requirements within this policy for approval consideration. Parks and Recreation Staff have authorization of approval. The Parks and Recreation Board has final approval over staff authorization if necessary. receive a recommendation from the Parks and Recreation Board before having their request heard by the City Council.
- 2. **The Application:** A completed application for special event park rental indicating an interest in hosting an event in which alcohol will be served shall be submitted to the department no later than twelve weeks prior to the requested reservation date.   - h. a list of adult members serving alcohol the event in the park,
  - i. the number and ages of the patrons expected to attend,
  - j. dates and times requested for the special event,
  - k. organization approval by signature of an authorized representative of the organization, and
  - I. the application fee.
- 3. **Eligible Groups:** Groups permitted to host special events in which alcohol will be served include, but are not limited to, not-for-profit organizations, civic and fraternal organizations, and public entities, as described in city code section 600.030(C), offering events open to the general public. Private groups are not eligible to host events in which alcohol will be served in outdoor park areas.
- 4. **Security Ratios:** In an effort to maintain a safe and friendly park experience for the general public and park neighbors, all groups must hire professional security with a minimum ratio of 1 security guard to every 200 people in attendance. A minimum of 2 security guards must be present when alcohol is being served, and for one hour afterwards or until the park

- is cleared, with every reservation, regardless of the number of patrons in attendance.
- 5. **Proof of Insurance Required:** Proof of insurance for the event must be provided by the organization at most two weeks after Council approval of the alcohol service request. Liability coverage matching state requirements and listing the City as an additional insured is required. Dram shop liability insurance coverage of \$2 million minimum for sales and dispensing, listing the City as an additional insured is required.
- 6. **Proof of Licensure Required:** Proof of appropriate licensure to serve alcohol during the event must be provided by the organization at least two weeks before the application is considered by the City Council.
- 7. Notification of Emergency Services: It shall be the responsibility of the hosting organization's contact person for the event to notify the Raymore Police Department, South Metro Fire Protection District of the event and any activities, including plans to serve alcoholic beverages, that might require department approval or emergency assistance. A signature line for representatives of the Police and Fire Departments shall be included in the application form and must be signed prior to making application for reservation.
- 8. **Limitations:** Upon signing the application for reservation, the hosting organization's contact person agrees to enforce the following limitations on use during the event:
  - a. **Quiet Time:** Event organizers shall observe a period of quiet time from park closing time until 7:00 a.m. All activity shall end in sufficient time to clear the park of all event-goers prior to the start of quiet time. Alcohol service is required to end at least thirty (30) minutes prior to park closing time to meet quiet time requirements.
  - b. **Server Requirements:** Special event alcohol servers must be experienced and resumes or references are required at the time of application. Background checks, if alcohol is not being served by a professional caterer, are required for servers.
  - c. **Location of Consumption:** Consumption of alcohol shall occur only in designated activity areas of the event as indicated in the letter of request.
  - d. **Park Regulations:** All Park Regulations listed in Chapter 250 of the Raymore Municipal Code shall be followed. Permission for exceptions to the Park Regulations may only be granted by the City Council.

e. **Dram Shop Requirements:** Organizations are not permitted to sell or dispense alcohol to minors, nor can there be any sales or dispensing of alcohol to visibly intoxicated individuals.

## V. ANNUAL REVIEW

The Raymore Parks and Recreation Board shall review this Policy annually, or more often as the Board deems necessary, to ensure the best possible service to the public.

# MEMORANDUM OF UNDERSTANDING

## MEMORANDUM OF UNDERSTANDING

Between:

Raymore Parks and Recreation

And:

Festival in the Park, Inc.

Date:

May 25, 2021

Re:

Raymore Festival in the Park Operations 2021

The Raymore Festival in the Park is an annual event held in Raymore's Memorial Park. Since the event will be held on City property in Memorial Park and the Festival in the Park organizers have expressed an interest in using the services of certain city staff for the event, both parties recognize the need to document in writing certain specific details of the relationship between the two organizations. The City of Raymore through the Raymore Parks and Recreation Department (City) and the Raymore Festival in the Park, Inc. (RFIPI), agree that this Memorandum of Understanding shall be the agreement under which both parties will operate in concert to provide the city-wide special event that benefits the residents of Raymore.

## 1. City Contribution

The City Council has determined that the Festival in the Park is a unique event of public interest and importance such that an in-kind contribution of park staff labor, electrical service, and park license fee of up to \$4,500 is found to be justified and in the best interests of the citizens of Raymore and is authorized as a material term of this Memorandum of Understanding to preserve and promote the Festival. Such contribution will be made from the General Fund of the City. For its sponsorship, the City will receive those benefits outlined in Attachment # 3.

### 2. Procedures for approval of this document

The RFIPI shall negotiate the following license agreement to include the reservation and use of certain areas of Memorial Park and Recreation Park, as well as several areas in the City Hall and certain services listed below. The license agreement shall be reviewed by the Park Board for recommendation to the City Council. RFIPI shall present the license agreement to the Council for approval.

## 3. Communication between CITY and RFIPI

Both CITY and RFIPI shall each designate a single contact person through which all contact shall be made. Requests pursuant to this license agreement and requirements of the agreement as listed in the duties and responsibilities attachments shall be made in writing.

#### 4. The License Agreement Policy of the Park Board

The Raymore Park Board has adopted a policy for the license of City-owned facilities to outside agencies for special events. This policy ensures that the City will be reimbursed for costs related to organizational use of facilities in the amount of \$150 per day for standard special events. Standard event set up shall include fresh mowing of the park area, daily trash servicing, and daily rest room servicing. Additional duties related to park

set up, event staffing, and post-event clean up shall be billed to organizations at a rate of \$20 per man hour for regular time, \$30 per man hour for overtime, and any additional expenses incurred as agreed upon by the Board and the organization.

## **5 Year Capital Improvement Program**

## **Background / Justification:**

The Capital Budget is a product of the Capital Improvement Program (CIP), it represents a 5 year plan of capital projects. Each year, the Park Board reviews capital projects and the 5 year plan. A recommendation has been presented to the CIP Committee at the staff level and is presented to the Board in the attached 5 year CIP plan.

Project budgets may be adjusted when final tax revenues are provided.

# Work Session Notes Raymore Parks and Recreation Board

Tuesday, June 8 2021 6:00pm

## Centerview 227 Municipal Circle Raymore, Missouri 64083

**Members Present:** Chairman Trautman; Members Manson, Casas, Collier and Bartow. Member Supple was absent.

#### Call to order - 6:00pm

#### **Updates:**

Director Musteen briefed the Park Board on the timeline for the Sunflower patch at Moon Valley Park. Staff has prepared the area and will continue to work with Councilmember Berendzen on a date in which to plow and plant. Board comments were positive towards the project and look forward to the fall blooming season.

Director Musteen updated the Park Board on the Farmer's Market and recent discussion about moving the market back to T.B. Hanna Station. Musteen also updated the Park Board on the Board's role regarding the Farmer's Market. Discussion continued and the Park Board likes the market on Municipal Circle and is not in favor of moving the market to T.B. Hanna Station. Board discussion included the limited parking at T.B. Hanna, the increased park traffic due to the new playground and sprayground and Municipal Circle provides ADA access for all people. T.B. Hanna is an inclusive park, putting a Farmer's Market that is not ADA accessible would be poor governing of the park. Additionally, a request of staff to bring market policies back to the Board for review this year was made.

Staff told the Board about the upcoming U11 USSSA State Baseball Tournament on Thursday June 17 - Sunday, June 20. This is a big tournament and we are very excited about getting to host this age group.

A resident who maintains several bluebird houses in the park system made a request to install game cameras inside the houses for live streaming of the birds, especially during the nesting season. The Board was favorable to the request and asked staff to do further research regarding liability issues before moving forwards. Discussion ensued and generally the Board likes the idea, but is interested in the liability of having private cameras on public property. Staff will follow up at a later date.

**Capital Improvement Plan Discussion -** Director Musteen provided the proposed 5 year CIP to the Park Board as requested. The CIP Committee has reviewed the plan and will recommend the plan to the City Manager. Director Musteen reminded the Board that the proposed costs are contingent upon sales tax revenue projections and could change.

**Park Master Plan Discussion -** The Board reviewed the master plan draft documents and gave staff direction on moving forward in the master plan process. Staff will continue moving forward and bring back progress to the Board for future review.
