

Tips for gathering your HHW for safe disposal

- Seal containers tightly.
- Bring items in their original containers inside a sturdy box.
- If original container is leaking or damaged, transfer or place into a compatible, sealable container no larger than 5 gallons and re-label.
- Don't mix products together.
- Be prepared to leave your containers. Containers such as gasoline cans will not be returned at mobile events.
- The program does NOT accept electronics, explosives, yard waste, commercial waste, pressurized gas cylinders, controlled substances, tires and appliances.
- The program WILL accept automotive products, antifreeze, batteries, CFL light bulbs, fertilizers, flammables, fuels, hazardous cleaners, hazardous liquids, household cleaners, lawn and garden products, paint, pesticides, photographic chemicals, pool chemicals, solvents, thinners, used oil.

2022

REGIONAL

Household Hazardous Waste

COLLECTION PROGRAM

25 YEARS

OF MAKING

YOUR HOME SAFE.

Residents of member communities may attend any of the collection events.

About the Regional HHW Program

The Regional HHW Collection Program provides members with convenient access to proper HHW disposal. If you live in a participating community, you may take HHW products to the permanent collection facilities in Kansas City, Missouri, and Lee's Summit, Missouri, free of charge. You may also attend **ANY** of the mobile collections held throughout the year. **Proof of residency is required, residential waste only.** For information on Kansas area facilities, visit **RECYCLESPOT.ORG** or call **816-474-TEAM**.

NO BUSINESS WASTE ACCEPTED including nonprofits, churches, home-based businesses and rental property owners.

Save money and avoid leftover paint with these simple tips!

- Estimate the amount to purchase with an automated calculator @ paintcare.org
- When opening paint cans, use a paint key. Screwdrivers will bend, distort or otherwise damage the lid.
- Poke holes in the rim so that paint drips back into the can, and doesn't accumulate on the rim.
- Cover the opening with a piece of plastic wrap before putting the lid back on.
- Keep cans dry! Rusty cans make a mess and contaminate your paint.

Do it right when you Do it yourself
