ADDENDUM NO. 1
Street, Curb and Storm
Project #22-012

All plan holders are hereby notified and agree by signature below, that the proposal includes consideration of the following changes, amendments, and/or clarifications and costs associated with these changes and are included in the proposal.

Addendum No. 1 - Questions and Revised Bid Proposal Form E.

- 1. Question:** Are there any traffic restrictions?
Response: A traffic control plan must be submitted for City approval for any lane or street closures
- 2. Question:** Can an alternate be used for Paveways?
Response: There are no approved alternates for the Paveway crosswalks
- 3. Question:** Asphalt Index to be used?
Response: Asphalt indexing will not be utilized
- 4. Question:** Is HDPE allowed?
Response: HDPE is an approved, alternate material for storm sewer pipe. All manufacturer’s specifications (such as trench width, minimum cover) must be followed.
- 5. Clarification:** The microsurface Type II aggregate must be steel slag.
- 6. Clarification:** A Revised Bid Proposal Form E is attached. A line item for full depth base reconstruction has been added and the tonnage for the base patching line item has been adjusted.

Any other questions regarding this proposal shall be submitted to Kim Quade, CPPB by email at kquade@raymore.com or by phone at (816) 892-3045. There will be no questions allowed after May 20, 2022 at 5 p.m.

I hereby certify that the above have been considered and associated costs have been included in this bid.
