

EMPLOYEE BROCHURE 2021-2022

Important Information

This Benefits Guide is designed to provide a general understanding of your benefits, describe important features of the plans and answer some of the most commonly asked questions.

While this guide is intended to be as comprehensive as possible, it is subject to the detailed provisions of the legal documents and contracts of the individual plans. In the event of a discrepancy between the guide and the plan document, the plan document will prevail.

The plan year for The City of Raymore's benefits begins December 1, unless otherwise stated.

Qualifying Events

When you participate in our health plans or Section 125 plan, you are obligated to maintain your election through the full year. However, certain qualifying events may occur that would allow you to add, change or terminate your election(s). Examples of qualifying events include:

- Birth or adoption of a child
- Marriage or divorce
- Legal separation
- Loss of dependent status
- Change in your employment status
- Change in the employment status of your spouse or dependent
- Gain or loss of eligibility for Medicare/Medicaid for yourself, spouse or dependent

Please note that child dependents are covered under the medical, dental and vision to age 26. Insurance coverage for child dependents will cease on December 31st regardless of what month they turn 26.

To change any of your elections due to a qualifying event, notify Human Resources within 30 days of the event date. If Human Resources is not notified within 30 days, you will need to wait to make any changes to your elections until the annual enrollment period. Please note that proper documentation of the qualifying event will be required. Additionally, the change you make to your election must be consistent with and appropriate for your new circumstance.

Please note that your medical and dental deductible starts over every year with services beginning January 1st. Although our plans renew in December you are not responsible for a new deductible until January 2022.

FLEXIBLE SPENDING & DEPENDENT CARE ACCOUNT

Alerus

Benefits You Receive

Each eligible employee may voluntarily redirect a portion of his or her gross pay to a flexible spending account (FSA) and/or the dependent care account (DCA) which is administered by Alerus. These dollars can be used during the plan year to pay for the unreimbursed medical, dental, vision and dependent care expenses you incur.

Dependent Care Account

Maximum contribution if single or married filing jointly: \$5,000

This account allows working parents to pay for daycare and before/after school expenses with pre-tax dollars. Dependents must be a child under the age of 13, or, a child, spouse, or other dependent that is physically or mentally incapable of self-care and spends at least eight hours a day in your household. Expenses for kindergarten fees, elementary school expenses for a child in first grade or higher, and expenses paid to a housekeeper, maid, cook, etc. are NOT eligible (except where incidental to child or dependent adult care).

Medical Flexible Spending Account

Maximum contribution: \$2,750

The Medical FSA allows you to pay with pre-tax dollars for health, dental and vision expenses that are not covered by insurance.

Reimbursable expenses include:

- Deductibles, Copays, Coinsurance
- Splints & Casts, Prescriptions
- Wheel chairs, Crutches, Xrays
- Diabetes testing
- Dental services, fillings, root canals, Orthodontia
- Vision exams, contacts, glasses
- Plus shop the online FSA store

If you have questions about qualified medical expenses, call 877-661-4727 or visit www.Alerusrb.com to view a complete list of approved expenses.

How Flexible Spending Accounts Work

You decide how much you will spend on unreimbursed health, dental, and vision expenses, and/or dependent care costs for the plan year. You elect to redirect part of your paycheck into a pre-tax FSA. This amount can be changed only at open enrollment or if you have a qualifying event. Once you've enrolled your entire election amount is available to you on the first day of the plan year. Use your FSA card for qualified expenses and simply swipe your card. If you prefer to pay upfront then be reimbursed, you can file a claim electronically from the Member Login and you can be reimbursed from your FSA.

⚠️ Alerus 2021 Flex Reminders!! ⚠️

If you have not used up your 2021 Flex dollars, you have until **2/15/2022** to incur claims. The City offers a **grace period**, which means that you can incur claims in December (2021) through February 15th of 2022 and file for reimbursement from your 2021 flex account. The life benefit amount will reduce to 65% at age 65.

Then to 40% at age 70, then 20% at age 75.

Premium Assistance Under Medicaid and The Children’s Health Insurance Program (CHIP)

If you or your children are eligible for Medicaid or CHIP and you are eligible for health coverage from your employer, your State may have a premium assistance program that can help pay for coverage. These States use funds from their Medicaid or CHIP programs to help people who are eligible for these programs, but also have access to health insurance through their employer. If you or your children are not eligible for Medicaid or CHIP, you will not be eligible for these premium assistance programs.

If you or your dependents are already enrolled in Medicaid or CHIP and you live in a State listed below, you can contact your State Medicaid or CHIP office to find out if premium assistance is available.

If you or your dependents are NOT currently enrolled in Medicaid or CHIP, and you think you or any of your dependents might be eligible for either of these programs, you can contact your State Medicaid or CHIP office or dial **1-877-KIDS NOW** or **www.insurekidsnow.gov** to find out how to apply. If you qualify, you can ask the State if it has a program that might help you pay the premiums for an employer-sponsored plan.

Once it is determined that you or your dependents are eligible for premium assistance under Medicaid or CHIP, as well as eligible under your employer plan, your employer must permit you to enroll in your employer plan if you are not already enrolled. This is called a “special enrollment” opportunity, and **you must request coverage within 60 days of being determined eligible for premium assistance**. If you have questions about enrolling in your employer plan, you can contact the Department of Labor electronically at www.askebsa.dol.gov or by calling toll-free 1-866-444-EBSA (3272).

If you live in one of the following States, you may be eligible for assistance paying your employer health plan premiums. The following list of States is current as of July 31, 2021. You should contact your State for further information on eligibility –

New Health Insurance Marketplace Coverage Options and Your Health Coverage

Form Approved
OMB No. 1210-0149
(expires 6-30-2023)

Notice of Marketplace Coverage Options

PART A: General Information

When key parts of the health care law take effect in 2014, there will be a new way to buy health insurance: the Health Insurance Marketplace. To assist you as you evaluate options for you and your family, this notice provides some basic information about the new Marketplace and employment-based health coverage offered by your employer.

What is the Health Insurance Marketplace?

The Marketplace is designed to help you find health insurance that meets your needs and fits your budget. The Marketplace offers "one-stop shopping" to find and compare private health insurance options. You may also be eligible for a new kind of tax credit that lowers your monthly premium right away. Open enrollment for health insurance coverage through the Marketplace begins in October 2013 for coverage starting as early as January 1, 2014.

Can I Save Money on my Health Insurance Premiums in the Marketplace?

You may qualify to save money and lower your monthly premium, but only if your employer does not offer coverage, or offers coverage that doesn't meet certain standards. The savings on your premium that you're eligible for depends on your household income.

Does Employer Health Coverage Affect Eligibility for Premium Savings through the Marketplace?

Yes. If you have an offer of health coverage from your employer that meets certain standards, you will not be eligible for a tax credit through the Marketplace and may wish to enroll in your employer's health plan. However, you may be eligible for a tax credit that lowers your monthly premium, or a reduction in certain cost-sharing if your employer does not offer coverage to you at all or does not offer coverage that meets certain standards. If the cost of a plan from your employer that would cover you (and not any other members of your family) is more than 9.5% of your household income for the year, or if the coverage your employer provides does not meet the "minimum value" standard set by the Affordable Care Act, you may be eligible for a tax credit.¹

Note: If you purchase a health plan through the Marketplace instead of accepting health coverage offered by your employer, then you may lose the employer contribution (if any) to the employer-offered coverage. Also, this employer contribution -as well as your employee contribution to employer-offered coverage- is often excluded from income for Federal and State income tax purposes. Your payments for coverage through the Marketplace are made on an after-tax basis.

- As your employer, we offer a health plan to:

- All employees.
- Some employees. Eligible employees are: •
EMPLOYEES REGULARLY SCHEDULED TO WORK 30 OR MORE HOURS PER WEEK.
- We do offer coverage. Eligible dependents are:
LEGALLY MARRIED SPOUSE
DEPENDENT CHILDREN TO AGE 26, REGARDLESS OF STUDENT STATUS
- We do not offer coverage.

- If checked, this coverage meets the minimum value standard, and the cost of this coverage to you is intended to be affordable, based on employee wages.

** Even if your employer intends your coverage to be affordable, you may still be eligible for a premium discount through the Marketplace. The Marketplace will use your household income, along with other factors, to determine whether you may be eligible for a premium discount. If, for example, your wages vary from week to week (perhaps you are an hourly employee or you work on a commission basis), if you are newly employed mid-year, or if you have other income losses, you may still qualify for a premium discount.

Medicare Part D
Notice of Creditable Coverage
Important Notice from CITY OF RAYMORE About
Your Prescription Drug Coverage and Medicare

Please read this notice carefully and keep it where you can find it. This notice has information about your current prescription drug coverage with City of Raymore and about your options under Medicare's prescription drug coverage. This information can help you decide whether or not you want to join a Medicare drug plan. Information about where you can get help to make decisions about your prescription drug coverage is at the end of this notice.

There are two important things you need to know about your current coverage and Medicare's prescription drug coverage:

1. Medicare prescription drug coverage became available in 2006 to everyone with Medicare. You can get this coverage if you join a Medicare Prescription Drug Plan or join a Medicare Advantage Plan (like an HMO or PPO) that offers prescription drug coverage. All Medicare drug plans provide at least a standard level of coverage set by Medicare. Some plans may also offer more coverage for a higher monthly premium.
 2. CIGNA has determined that the prescription drug coverage offered by the City of Raymore is, on average for all plan participants, expected to pay out as much as standard Medicare prescription drug coverage pays and is therefore considered Creditable Coverage. Because your existing coverage is Creditable Coverage, you can keep this coverage and not pay a higher premium (a penalty) if you later decide to join a Medicare drug plan.
-

When Can You Join A Medicare Drug Plan?

You can join a Medicare drug plan when you first become eligible for Medicare and each year from **October 15th through December 7th**.

However, if you lose your current creditable prescription drug coverage, through no fault of your own, you will also be eligible for a two (2) month Special Enrollment Period (SEP) to join a Medicare drug plan.

What Happens To Your Current Coverage If You Decide to Join A Medicare Drug Plan?

If you decide to join a Medicare drug plan, your current CIGNA coverage will not be affected. Your current coverage pays for other health expenses, in addition to prescription drugs, and you will still be eligible to receive all of your current health and prescription drug benefits if you choose to enroll in a Medicare prescription drug plan. If you drop your coverage with CIGNA and enroll in a Medicare prescription drug plan, you may not be able to get this coverage back later. You should compare your current coverage, including which drugs are covered, with the coverage and cost of the plans offering Medicare prescription drug coverage in your area.

When Will You Pay A Higher Premium (Penalty) To Join A Medicare Drug Plan?

You should also know that if you drop or lose your current coverage with CIGNA and don't join a Medicare drug plan within 63 continuous days after your current coverage ends, you may pay a higher premium (a penalty) to join a Medicare drug plan later. If you go 63 continuous days or longer without creditable prescription drug coverage, your monthly premium may go up by at least 1% of the Medicare base beneficiary premium per month for every month that you did not have that coverage. For example, if you go nineteen months without creditable coverage, your premium may consistently be at least 19% higher than the Medicare base beneficiary premium. You may have to pay this higher premium (a penalty) as long as you have Medicare prescription drug coverage. In addition, you may have to wait until the following October to join.

For More Information About This Notice Or Your Current Prescription Drug Coverage...

Contact the person listed below for further information. **NOTE:** You may receive this notice at other times in the future such as before the next period you can enroll in Medicare prescription drug coverage, and if this coverage changes. You also may request a copy of this notice at any time.

For More Information About Your Options Under Medicare Prescription Drug Coverage...

More detailed information about Medicare plans that offer prescription drug coverage is in the "Medicare & You" handbook from Medicare. You'll get a copy of the handbook in the mail every year from Medicare. You may also be contacted directly by Medicare drug plans.

For more information about Medicare prescription drug coverage:

- Visit www.medicare.gov
- Call your State Health Insurance Assistance Program (see the inside back cover of your copy of the "Medicare & You" handbook for their telephone number) for personalized help
- Call 1-800-MEDICARE (1-800-633-4227). TTY users should call 1-877-486-2048.

For people with limited income and resources, extra help paying for Medicare prescription drug coverage is available. Information about this extra help is available from the Social Security Administration (SSA). For information about this extra help, visit SSA online at www.socialsecurity.gov, or call them at 1-800-772-1213 (TTY 1-800-325-0778).

Remember: Keep this Creditable Coverage notice. If you decide to join one of the Medicare drug plans, you may be required to provide a copy of this notice when you join to show whether or not you have maintained creditable coverage and, therefore, whether or not you are required to pay a higher premium (a penalty).

General Notice of COBRA Continuation Coverage Rights

Continuation Coverage Rights Under COBRA

Introduction

You are receiving this notice because you have recently become or may become covered under the City of Raymore Group Health Care Plan (the Plan). This notice contains important information about your right to COBRA continuation coverage, which is a temporary extension of coverage under the Plan. **This notice generally explains COBRA continuation coverage, when it may become available to you and your family, and what you need to do to protect the right to receive it.**

The right to COBRA continuation coverage was created by a federal law, the Consolidated Omnibus Budget Reconciliation Act of 1985 (COBRA). COBRA continuation coverage can become available to you when you would otherwise lose your group health coverage. It can also become available to other members of your family who are covered under the Plan when they would otherwise lose their group health coverage. For additional information about your rights and obligations under the Plan and under federal law, you should review the Humana Group Health Plan Summary document or contact the Plan Administrator.

What is COBRA Continuation Coverage?

COBRA continuation coverage is a continuation of Plan coverage when coverage would otherwise end because of a life event known as a "qualifying event." Specific qualifying events are listed later in this notice. After a qualifying event, COBRA continuation coverage must be offered to each person who is a "qualified beneficiary." You, your spouse, and your dependent children could become qualified beneficiaries if coverage under the Plan is lost because of the qualifying event. Under the Plan, qualified beneficiaries who elect COBRA continuation coverage must pay for COBRA continuation coverage.

If you are an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because either one of the following qualifying events happens:

- Your hours of employment are reduced, or
- Your employment ends for any reason other than your gross misconduct.

If you are the spouse of an employee, you will become a qualified beneficiary if you lose your coverage under the Plan because any of the following qualifying events happens:

- Your spouse dies;
- Your spouse's hours of employment are reduced;
- Your spouse's employment ends for any reason other than his or her gross misconduct;
- Your spouse becomes entitled to Medicare benefits (under Part A, Part B, or both); or
- You become divorced or legally separated from your spouse.

Your dependent children will become qualified beneficiaries if they lose coverage under the Plan because any of the following events happens:

- The parent-employee dies;
- The parent-employee's hours of employment are reduced;
- The parent-employee's employment ends for any reason other than his or her gross misconduct;
- The child stops being eligible for coverage under the plan as a "dependent child."

When is COBRA Coverage Available?

- The parent-employee becomes entitled to Medicare benefits (Part A, Part B, or both);

- The parents become divorced or legally separated; or
- The Plan will offer COBRA continuation coverage to qualified beneficiaries only after the Plan Administrator has been notified that a qualifying event has occurred. When the qualifying event is the end of employment or reduction of hours of employment, death of the employee, commencement of a proceeding in bankruptcy with respect to the employer, or the employee's becoming entitled to Medicare benefits (under Part A, Part B, or both), the employer must notify the Plan Administrator of the qualifying event.

You Must Give Notice of Some Qualifying Events

For the other qualifying events (divorce or legal separation of the employee and spouse or a dependent child's losing eligibility for coverage as a dependent child), you must notify the Plan Administrator within 60 days after the qualifying event occurs. You must provide this notice to Shawn Aulgur (816) 892-3005.

How is COBRA Coverage Provided?

Once the Plan Administrator receives notice that a qualifying event has occurred, COBRA continuation coverage will be offered to each of the qualified beneficiaries. Each qualified beneficiary will have an independent right to elect COBRA continuation coverage. Covered employees may elect COBRA continuation coverage on behalf of their spouses, and parents may elect COBRA continuation coverage on behalf of their children.

COBRA continuation coverage is a temporary continuation of coverage. When the qualifying event is the death of the employee, the employee's becoming entitled to Medicare benefits (under Part A, Part B, or both), your divorce or legal separation, or a dependent child's losing eligibility as a dependent child, COBRA continuation coverage lasts for up to a total of 36 months.

When the qualifying event is the end of employment or reduction of the employee's hours of employment, and the employee became entitled to Medicare benefits less than 18 months before the qualifying event, COBRA continuation coverage for qualified beneficiaries other than the employee lasts until 36 months after the date of Medicare entitlement. For example, if a covered employee becomes entitled to Medicare 8 months before the date on which his employment terminates, COBRA continuation coverage for his spouse and children can last up to 36 months after the date of Medicare entitlement, which is equal to 28 months after the date of the qualifying event (36 months minus 8 months). Otherwise, when the qualifying event is the end of employment or reduction of the employee's hours of employment, COBRA continuation coverage generally lasts for only up to a total of 18 months. There are two ways in which this 18-month period of COBRA continuation coverage can be extended.

Disability extension of 18-month period of continuation coverage

If you or anyone in your family covered under the Plan is determined by the Social Security Administration (SSA) to be disabled and you notify the Plan Administrator in a timely fashion, you and your entire family may be entitled to receive up to an additional 11 months of COBRA continuation coverage, for a total maximum of 29 months. The disability would have to have started at some time before the 60th day of COBRA continuation coverage and must last at least until the end of the 18-month period of continuation coverage. In order to determine if you or a covered member of your family qualify for the disability extension, you must send documentation received from SSA verifying the disability determination to: **Shawn Aulgur: Human Resources Manager, City of Raymore 816-892-3005**

HIPAA Notice of Special Enrollment Rights

This notice is being provided to ensure that you understand your right to enroll in the City of Raymore Health Plan. You should read this notice even if you plan to waive coverage at this time.

Loss of Other Coverage

If you are declining coverage for yourself or your dependents (including your spouse) because of other health insurance or group health plan coverage, you may be able to enroll yourself and your dependents in this plan if you or your dependents lose eligibility for that other coverage (or if the employer stops contributing toward your or your dependents' other coverage). **However, you must request enrollment within 31 days after your or your dependents' other coverage ends** (or after the employer stops contributing toward the other coverage).

Example: You waived coverage because you were covered under a plan offered by your spouse's employer. Your spouse terminates his/her employment. If you notify us within 31 days of the date coverage ends, you and your eligible dependents may apply for coverage under our health plan.

Example: Marriage, Birth or Adoption. If you have a new dependent as a result of a marriage, birth, adoption, or placement for adoption, you may be able to enroll yourself and your dependents. **However, you must request enrollment within 31 days after the marriage, birth, or placement for adoption.**

Example: When you were hired by us, you were single and chose not to elect health insurance benefits. During the year you get married. You and your eligible dependents are entitled to enroll in this group health plan. However, you must apply within 31 days from the date of your marriage.

How we use and disclose your PHI

Uses of PHI without your authorization

We may disclose your PHI without your written authorization if necessary while providing your health benefits. We may disclose your PHI for the following purposes:

- ▶ **Treatment:**
 - To share with hospital staff, nurses, doctors, pharmacists, optometrists, health educators and other health care professionals and personnel at health care facilities so they can determine your plan of care.
 - To help you obtain services and treatment you may need – for example, to order lab tests and using the results.
 - To coordinate your health care and related services with a different health care facility or professional.

Together, all the way.®

› **Payment:**

- To obtain payment of premiums for your coverage.
- To make coverage determinations - for example, to speak to a health care professional about payment for services provided to you.
- To coordinate benefits with other coverage you may have - for example, to speak to another health plan or insurer to determine your eligibility or coverage.
- To obtain payment from a third party that may be responsible for payment, such as a family member.
- To otherwise determine and fulfill our responsibility to provide your health benefits - for example, to administer claims.

› **Health care operations:**

- To provide customer service.
- To support and/or improve the programs or services we offer you.
- To assist you in managing your health - for example, to provide you with information about treatment alternatives to which you may be entitled.
- To support another health plan, insurer, or health care professional who has a relationship with you for activities such as case management, care coordination and quality improvement activities. For example, we may share your claims information with your doctor if you have a medical need that requires attention.

We may also disclose your PHI without your written authorization for other purposes, as permitted or required by law. This includes:

› **Disclosures to others involved in your health care.**

- If you are present or otherwise available to direct us to do so, we may disclose your PHI to others - for example, a family member, a close friend, or your caregiver.
- If you are in an emergency situation, are not present, or are incapacitated, we will use our professional judgment to decide whether disclosing your PHI to others is in your best interests. If we do disclose your PHI in a situation where you are unavailable, we would disclose only information that is directly relevant to the person's involvement with your treatment or for payment related to your treatment. We may also disclose your PHI in order to notify (or assist in notifying) such persons of your location or your general medical condition.
- We may disclose your child's PHI to your child's other parent.

› **Disclosures to your employer as sponsor of your health plan.**

We may disclose your PHI to your employer or to a company acting on your employer's behalf, so that entity can monitor, audit and otherwise administer the employee health plan in which you participate. Your employer is not permitted to use the PHI we disclose for any purpose other than administration of your benefits. The Health Plan may also provide Summary Health Information to the plan sponsor as allowed by law so that the plan sponsor may solicit premium bids from other health plans or modify, amend or terminate the plan. See your employer's health plan documents for information on whether your employer receives PHI and, if so, the identity of the employees who are authorized to receive your PHI.

› **Disclosures to vendors and accreditation organizations.**

- We may disclose your PHI to:
- Companies that perform certain services we've requested. For example, we may engage vendors to help us to provide information and guidance to users with chronic conditions like diabetes and asthma.
 - Accreditation organizations such as the National Committee for Quality Assurance (NCQA) for quality measurement purposes.

Please note that before we share your PHI, we obtain the vendor's or accreditation organization's written agreement to protect the privacy of your PHI.

› **Communications.**

- We may disclose your PHI to:
- Encourage you to purchase or use a product or service that is not part of the health care services and benefits we provide when we meet with you in person, as permitted by law.
 - Provide you with a promotional gift of nominal value.

Except as permitted by law, we will not use your PHI for marketing purposes without your prior written authorization.

› **Health or safety.**

- We may disclose your PHI to prevent or lessen a serious and imminent threat to your health or safety or the health and safety of another individual or the general public
- › **Public health activities.**
- We may disclose your PHI to:
- Report health information to public health authorities authorized by law to receive such information for the purpose of preventing or controlling disease, injury or disability, or monitoring immunizations;
 - Report child abuse or neglect, or adult abuse, including domestic violence, to a government authority authorized by law to receive such reports;

- Report information about a product or activity that is regulated by the U.S. Food and Drug Administration (FDA) to a person responsible for the quality, safety or effectiveness of the product or activity;
- Alert a person who may have been exposed to a communicable disease, if we are authorized by law to give this Notice.
- › **Health oversight activities.** We may disclose your PHI to:
 - A government agency that is legally responsible for oversight of the health care system or for ensuring compliance with the rules of government benefit programs, such as Medicare or Medicaid.
 - Other regulatory programs that need health information to determine compliance.
- › **Research.** We may disclose your PHI for research purposes, but only according to and as allowed by law.
- › **Compliance with the law.** We may use and disclose your PHI to comply with the law.
- › **Judicial and administrative proceedings.** We may disclose your PHI in a judicial or administrative proceeding or in response to a valid legal order.
- › **Law enforcement officials.** We may disclose your PHI to the police or other law enforcement officials, as required by law or in compliance with a court order or other process authorized by law.
- › **Government functions.** We may disclose your PHI to various departments of the government such as the U.S. military or the U.S. Department of State as required by law.
- › **Workers' compensation.** We may disclose your PHI when necessary to comply with workers' compensation laws and similar programs.

Uses of PHI that require your authorization

Other than for the purposes described above or as permitted by applicable law, we must obtain your written authorization to use or disclose your PHI. For example, we would need your authorization:

- › To use your PHI to a prospective employer.
- › Use your PHI for marketing communications and when we receive direct or indirect payment from a third party for making such communications.
- › For any sale involving your PHI, as required by law.
- › To use genetic information for underwriting purposes.

Uses and disclosures of certain PHI deemed "Highly Confidential." For certain kinds of PHI, federal and state law may require enhanced privacy protection. These would include PHI that is:

- › Maintained in psychotherapy notes;
- › About alcohol and drug abuse prevention, treatment and referral;
- › About HIV/AIDS testing, diagnosis or treatment;
- › About venereal and/or communicable disease(s);
- › About genetic testing.

We can only disclose this type of specially protected PHI with your prior written authorization except when specifically permitted or required by law. Any other uses and disclosures not described in this Notice will only be made with your prior written authorization.

Cancellation. You may cancel ("revoke") a written authorization you gave us before. The cancellation, submitted to us in writing, will apply to future uses and disclosures of your PHI. It will not impact disclosures made previously, while your authorization was in effect.

Your individual rights

You have the following rights regarding the PHI that CGHB creates, obtains, and/or maintains about you.

- › **Right to request restrictions.** You may ask us to restrict the way we use and disclose your PHI for treatment, payment and health care operations, as explained in this Notice. We are not required to agree to the restrictions, but we will consider them carefully. If we do agree to the restrictions, we will abide by them.
- › **Right to receive confidential communications.** You may ask to receive CGHB communications containing PHI by alternative means or at alternative locations - for example, you may ask that we contact you by phone at home, rather than at work. We will accommodate reasonable requests whenever feasible.
- › **Right to inspect and copy your PHI.** You may ask in advance to review or receive a copy of your PHI that is included in certain paper or electronic records we maintain such as prescription and billing records. Under limited circumstances, we may deny you access to a portion of your records.

You may request that we disclose or send a copy of your PHI to a Health Information Exchange (HIE).
- › **Right to amend your records.** You have the right to ask us to correct your PHI contained in our electronic or paper records if you believe it is inaccurate. If we determine that the PHI is inaccurate, we will

correct it if permitted by law. If a health care facility or professional created the information that you want to change, you should ask them to amend the information.

▶ **Right to receive an accounting of disclosures.** Upon your request, we will provide a list of the disclosures we have made of your PHI for a specified time period. However, the list will exclude:

- Disclosures you have authorized.
- Disclosures made earlier than six years before the date of your request (in the case of disclosures made from an electronic health record, this period may be limited to three years before the date of your request).
- Disclosures made for treatment, payment, and health care operations purposes except when required by law.
- Certain other disclosures that are excepted by law.

If you request an accounting more than once during any 12-month period, we will charge you a reasonable fee for each accounting report after the first one.

▶ **Right to name a personal representative.** You may name another person to act as your Personal Representative. Your representative will be allowed access to your PHI, to communicate with the health care professionals and facilities providing your care, and to exercise all other HIPAA rights on your behalf. Depending on the authority you grant your representative, he or she may also have authority to make health care decisions for you.

▶ **Right to receive a paper copy of this Notice.** Upon your request, we will provide a paper copy of this Notice, even if you have already received one, as described in the Notice Availability and Duration section later in this Notice.
