

Why Work for a LAGERS Employer

For over 50 years, LAGERS has partnered with Local Government Employers across Missouri to provide superior retirement, survivor, and disability benefits to the men and women serving on the front lines of our local communities.

How does it work?

LAGERS benefits are not based on an account balance that you have to individually invest. Each month you work for a LAGERS employer, you earn one month of service credit. The more credits you earn, the more your future benefit grows. At retirement, you will receive a guaranteed monthly paycheck for the rest of your life! Over a lifetime in retirement, this benefit can really add up, meaning less you have to save out of your own pocket today.
