SECTION III: PROPOSED WORK

PROJECT DESCRIPTION (Describe only the work that requires THIS permit):

CONDITIONS

- Application for a permit and payment of proper fees must be made prior to commencement of work or the fee will be 3 times the amount of the permit fee under RMC Section 500.095.
- Every permit issued by the Bldg Official under the provisions of this code shall expire by limitation and become null and void if the bldg or work authorized by such permit is not commenced within one hundred eighty (180) days from the date of such permit or if the bldg or work authorized by such permit is suspended or abandoned at any time after the work is commenced for a period of one hundred eighty (180) days per Section 500. 075 RMC.
- It shall be the duty of the person doing the work authorized by a permit to assure that all required inspections are scheduled at least 4 hours in advance and approved by the City Inspectors. Furthermore, it shall be the duty of the person requesting the inspection to provide access to and means for inspection of the work. The individual who signs this application assumes all responsibility and liability for the work performed as specified herein.
