

WEEKLY REPORT

Week of Jan. 16, 2023

Upcoming

Public Hearing: Risks of Landfill Development, 6 p.m., Thursday, Feb. 16, 2023, at Centerview, 227 Municipal Circle, Raymore.

The Raymore City Council will hold an urgent public hearing and vote on a bill regarding plans for a solid waste landfill in southeast Kansas City, Missouri, abutting neighborhoods, schools, small businesses, houses of worship and bodies of water in the surrounding communities.

The planned landfill's boundaries are within a 960 acre location generally bound by Peterson Road on the west, MO 150 Highway on the north, Horridge Road on the east and 155th Street on the south. The Raymore City Council will vote to approve or reject a one-half mile buffer, extending north from 155th Street on Raymore's north border, as allowed by the Revised Statutes of Missouri.

City leaders express grave concerns about this project, believing such a landfill is dangerous, unnecessary and reckless. Come to the hearing with your comments and concerns. Learn more at www.raymore.com/killthefill
