

Resolution 23-0216

A RESOLUTION EXPRESSING THE OPPOSITION TO THE LOCATION OF A LANDFILL NEAR THE FIRE DISTRICT'S BORDER.

WHEREAS, residents and stakeholders have expressed concern to the South Metropolitan Fire Protection District Board about the potential location of the landfill near the district's northern border; and,

WHEREAS, it appears that there is currently no application pending with the City of Kansas City, Missouri, or the Missouri Department of Natural Resources, related to such a landfill; however, the discussion in the community continues; and,

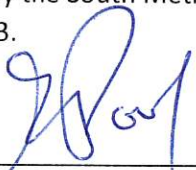

Whereas, the location of a landfill at the considered site would have long-term or permanent, serious, destructive, and damaging impacts on surrounding areas, including the District's northern area; and,

Whereas, these impacts include environmental degradation, diminishment of property values, and a chilling effect on commercial and residential development among other negative and harmful effects.

NOW, THEREFORE, BE IT RESOLVED BY THE SOUTH METROPOLITAN FIRE PROTECTION DISTRICT BOARD OF DIRECTORS, AS FOLLOWS:

That the Board of Directors hereby expresses its opposition to the location of the landfill or transfer station at the southeast Kansas City site.

Duly passed by the South Metropolitan Fire Protection District Board of Directors this 16th day of February 2023.

 2/16/23

Chairman of the Board of Directors
South Metropolitan Fire Protection District

Attest:

Secretary
South Metropolitan Fire Protection District
