We are very fortunate to have such dedicated, talented, and patient people. Our dispatchers are the first contact for citizens. That contact sets the tone for that interaction as well the future interactions not only for members of the department, but the entire City. The communication center/dispatchers are the backbone of our department. I would like to thank our dispatchers for what they do all year long and beyond this national week of appreciation.

10. New Business

A. Easement Vacation - 807 Bridgeshire Drive, Edgewater at Creekmoor 6th Plat, Lot 181 (public hearing)

BILL 3796: "AN ORDINANCE OF THE CITY OF RAYMORE, MISSOURI, VACATING A PORTION OF A 25 FOOT REAR-YARD UTILITY EASEMENT LOCATED ON LOT 181 IN EDGEWATER AT CREEKMOOR SIXTH PLAT, A SUBDIVISION IN THE CITY OF RAYMORE, CASS COUNTY, MISSOURI."

City Clerk Erica Hill conducted the first reading of Bill 3794 by title only.

Mayor Turbow opened the public hearing at 7:16 p.m. and called for a staff report.

Development Services Director David Gress provided a review of the staff report included in the Council packet. Brad and Tiffany Kiehl, owners of the property located at 807 Bridgeshire Drive in the Edgewater at Creekmoor subdivision, have requested a vacation of 17 feet of an existing 25 foot utility easement located in the rear yard of the property. The request would allow for the construction of a pool. Utility companies, including Spire, Evergy, AT&T, Comcast and others, were notified of the request and no objections were received. The requested vacation would leave approximately 8 feet remaining within the utility easement for use by utility companies, which is a standard dimension for utility easements on residential properties. As this is a public hearing, he noted the public hearing was property advertised in the February 22, 2023 North Cass Herald and requested the following documents be entered into the record: notice of publication, Unified Development Code, application, Growth Management Plan, staff report, and plot plan.

Mayor Turnbow opened the floor for public comments. Hearing none, he closed the public hearing at 7:18 p.m.

B. Preliminary Plan Extension for the Allera Planned Unit Development (PUD)

RESOLUTION 23-08: "A RESOLUTION OF THE CITY OF RAYMORE, MISSOURI, APPROVING A ONE-YEAR EXTENSION OF THE PRELIMINARY DEVELOPMENT PLAN FOR THE ALLERA PLANNED UNIT DEVELOPMENT."

City Clerk Erica Hill conducted the reading of Resolution 23-08 by title only.

Development Services Director David Gress provided a review of the staff report included in the Council packet. Brenner Holland representing Hunt Midwest, has requested an extension to the Preliminary Plan for the Allera Subdivision, 52-acre subdivision containing 171 single-family lots, located south of Johnston Drive, west of Dean Avenue. The PUD zoning and Preliminary Plan were approved on April 25, 2022 by the City Council and are set to expire on April 25, 2023. The Developer is requesting a 1-year extension, with a new expiration date of April 25, 2024. The applicant has indicated that development interest still remains for the project, but current economic conditions have caused the owner and the developer of the subdivision to place a hold on the final development of the project at this time. The approved Preliminary Plan and Memorandum of Understanding remain unchanged from their currently approved form.

Councilmember Burke asked about the design and construction of Johnston Drive that was part of this development project. Mr. Gress stated that originally, the developer was contemplating constructing Johnston Drive and designing it themselves, but because the project was put on hold staff decided to move forward with the project, and the design should be close to being completed.

Councilmember Burke also recalled that the Council was recently notified that this project was no longer removing forward. Mr. Gress stated that at this time the developer does not have a contract on the property, but has not totally walked away. They indicated that the interest rates and other factors have caused them to not move forward at this time. An extension keeps the property in an approved development plan, it could be Hunt Midwest or a different developer that could move forward with the project.

MOTION: By Councilmember Townsend, second by Councilmember Holman to approve the reading of Resolution 23-08 by title only.

DISCUSSION: None

C. Award of Contract - Compensation Class Study

City Clerk Erica Hill conducted the first reading of Bill 3797 by title only.

Assistant City Manager Ryan Murdock provided a review of the staff report included in the Council packet. The 2023 adopted budget includes funding for a compensation class study to fully evaluate the organizational structure and total compensation packages for the City of Raymore. The City issued a Request for Qualifications and determined by interviewing 2 finalists from 5 submitted proposals. It has been nearly 15 years since the last study was conducted and staff recommends McGrath Human Resources Group for this important project.

Councilmember Holman asked when the last study was completed and when the report would be presented to Council. Mr. Murdock stated it's been 15 years since the last study and that preliminary findings should be in by late summer, with a final report delivered to staff in early fall, noting that the study would not be completed before the next budget cycle as staff felt it important to not rush this important study.

4. Why are you interested in serving on a City board or commission?

I am interested in serving on the Planning and Zoning Commission for a couple of reasons. BACKGROUND / JUSTIFICATION

Brad and Tiffany Kiehl, owners of the property located at 807 Bridgeshire Drive in the Edgewater at Creekmoor subdivision, have requested a vacation of 17 feet of an existing 25 foot utility easement located in the rear yard of the property. The request would allow for the construction of a pool.

Utility companies, including Spire, Evergy, AT&T, Comcast and others, were notified of the request and no objections were received.

The requested vacation would leave approximately 8 feet remaining within the utility easement for use by utility companies, which is a standard dimension for utility easements on residential properties.
