## Leaving a Legacy

The Raymore Legacy Program gives residents the opportunity to leave a lasting legacy through a donation toward honor bricks, tribute trees, memorial benches or heritage shelters.

The program is designed to enhance and beautify the City of Raymore's public parks, green spaces, linear parks and public grounds. It also provides Raymore residents a way to connect with the park system on a personal level.

Through this program, groups or individuals can commemorate special events, dedicate memorials to loved ones, honor our service men and women or simply leave a lasting legacy of their love of Raymore's parks.

RAYMORE PARKS & RECREATION LEGACY PROGRAM

## Honor the ones you love.

With an Honor Brick, anyone can leave a lasting impression on Raymore's history by purchasing an inscribed brick to be placed in the Honor Square located in front of the The Depot at T.B. Hanna Station Park.

Honor Bricks are dedicated once a year during a ceremony on Veterans Day. The deadline for ordering bricks is September 1.

You may choose to have your name engraved on the brick or have it inscribed in memory of another individual. Honor Bricks are an ideal way to honor veterans of any military service or to remember a special occasion. Honor Bricks can also be used as an opportunity to show support for an organization.

For a gift of \$80, a 4x8-inch engraved brick will be installed in the Honor Square. Each brick can be engraved with up to three lines of lettering with a maximum of 16 characters per line, including spaces and punctuation.

The Parks & Recreation Department reserves the right to place or organize the Honor Bricks in a way that best suits the location and to ensure that the wording requested is appropriate.

For more information, contact the Parks & Recreation Department at 816-322-2791 or visit www.Raymore.com/Parks

## **Honor Brick Order Form**

Each inscription may contain a maximum of three lines of text with 16 characters on each line. Please include all letters, punctuation and spaces in the grid below. Brick orders are limited to individuals only.

Orders will be inspected and preapproved prior to engraving. If you wish to purchase multiple bricks, please fill out and submit a separate form for each additional order. Once submitted, the engraving as marked below is FINAL.
