JOIN THE SCENE

We don't just want to appreciate the arts at Raymore's Summer Scene, we aim to interact with them firsthand. We believe art is supposed to be touched, moved, tasted and experienced. That's why we are inviting you to get your hands dirty and help support Raymore's second annual art festival.

- Come join us draw on our enormous chalk boards, watch demonstrations from local artists, participate in arts and crafts for all ages, indulge in culinary creations from our food trucks and enjoy performances by talented local musicians.

At the first ever Summer Scene last year, dozens of local artists, vendors and musicians gathered for a day-long extravaganza for hundreds of guests. This time around we hope to make the festival even bigger and better. For that, we need your help.

There is plenty to experience at Raymore's Summer Scene and the price of a ticket is absolutely free. Join us the evening of June 10 as we truly experience the arts in our community.

Summer Scene also serves as the kick-off for our pop-up art project, Relax in Raymore. Last year, over 30 adirondack chairs painted, decoupaged, decorated and/or hand crafted by Raymore residents were showcased and judged at the festival. Residents then displayed their chairs around the city for the duration of the summer.
