

Weekly Report

Week of Feb. 6, 2017

Upcoming

- Food Truck Tuesday is back.

Stop by Municipal Circle from **11 a.m. - 1 p.m. on Tuesday, Feb. 14**, to enjoy lunch from [Cajun Cabin](#), an authentic cajun cuisine food truck.

The Parks & Recreation Department invites different food trucks to come to Raymore to offer something different for lunch on Municipal Circle.

See you on the Circle.

Administration

- Emergency Management Coordinator Ryan Murdock and Chief Jan Zimmerman participated in an Emergency Management grant webinar with Finance Director Cindi Watson and Assistant Finance Director Elisa Williams.
- Assistant City Manager Meredith Hauck, Community Development Director Jim Cadoret, Communication Manager Mike Ekey and Associate Planner David Gress updated the City's Community for All Ages plan. This plan will guide Raymore efforts as we continue to deepen our commitment to residents of all ages. To learn more about Raymore's Community for All Ages initiatives, visit www.Raymore.com/CFAA.

Community Development

- The Planning and Zoning Commission met Tuesday to discuss the status of work on preparation of a Community for All Ages Master Plan. A public hearing for adoption of the plan will be held on Tuesday, March 21.
- A Good Neighbor meeting was held on Wednesday, Feb. 9 regarding the proposed rezoning of T.B. Hanna Station from R-1 Single Family Residential and C-1 Neighborhood Commercial to PR Parks, Recreation and Public Use district.
- Associate Planner David Gress spoke to the 3rd grade classes at Stonegate Elementary school about community planning and development activities that occur in the city.

Parks & Recreation

- Park staff attended the Interpretive Site Coalition conference at the Burr Oak Woods. This group specializes in connecting individuals with some of the natural parks and historic sites throughout the Kansas City region through education, theater, activities and other methods.
- Recreation Coordinator Jerri Keith met with area vendors and interested participants for the upcoming Touch-a-Truck event on Saturday, April 22. For more information, visit www.Raymore.com.
- Athletic Coordinator Mike Hedrick attended the Kansas City Metro League's initial bracket meeting for the spring Raymore United Soccer Club teams season.
- Director Nathan Musteen attended the Active Transportation Programming Committee meeting at Mid-America Regional Council.

Police

- The Raymore Police Department hosted the Missouri State Highway Patrol Criminal Justice Information System criminal history rap sheet training in the Council Chambers. Several department members attended.
- Emergency Management Coordinator Ryan Murdock and Chief Jan Zimmerman gave an emergency preparedness/personal safety presentation to the American Heritage Girl Scout group at the Faith Baptist Church in Raymore.
- Communications Officer Britany Wilson attended 40-hour basic telecommunications class at the Mid-America Regional Council.
- Chief Jan Zimmerman spoke about crime prevention, personal safety and emergency preparedness at the Sunrise Optimist Club at the International House of Pancakes Restaurant in Belton.
- Officers Nick Hill and Travis Jobs attended the Kansas City Metro Tactical Officers Association Annual Conference at the Embassy Suites in Olathe, Kansas.
- Chief Jan Zimmerman participated in a grant review workshop for the Complex Coordinated Terrorist Attack Grant at the Mid-America Regional Council.
- Capt. Jim Wilson attended the School Safety Task Force meeting at the Raymore Peculiar Administration Building in Peculiar.
- Chief Jan Zimmerman served as the co-chair and Emergency Management Coordinator Ryan Murdock attended the Metropolitan Emergency Management meeting at the Mid-America Regional Council, where the presentations focused on mass feeding organizations and their operation during disasters.
- Capt. Jim Wilson participated in the Cass County Youth Court in the Raymore Council Chambers.
- Chief Jan Zimmerman participated in the County Sheriff and Chiefs meeting at the Belton Regional Hospital, where the discussion included recent changes in court procedures throughout the State of Missouri.

Public Works

- Staff continued work on the meter conversion program. This program replaces older water meters with newer digital meters.
- Staff finished work to address a drainage issue along the walking trails in Recreation Park.
- As weather permitted, crews continued to work on the sidewalk project along Foxridge and Johnston drives.
- Staff worked to address an operational problem with the traffic signal at Hubach Hill Road and School Road.
