The Raymore Development Services Department requires review of all proposed land uses to ensure they are permitted in the zoning district where the business will be located. This form is required with all commercial building permit applications for tenant finishes, changes in use, or additions. This form is also required with occupational license applications for new businesses not needing a building permit, including home occupations. Please complete this form and return it to the Development Services Department at Raymore City Hall. If you have any questions, please contact us at (816) 331-1803.
