

# Weekly Report

## Week of July 31, 2017

### Upcoming

- Municipal Circle is officially a **ONE WAY STREET**. The new configuration allows for additional parking to the businesses on the circle and will help spur development on the undeveloped lots.

On Friday crews added new parking and lane striping to Municipal Circle. Be aware that as you approach Municipal Circle after Aug. 4, you will only be able to make a right-hand turn from Skyline or Broadmoor Drive.

[For more information, visit our website.](#)

- The second annual Parks & Recreation **Mini Mud run is Friday, Aug. 11, at Hawk Ridge Park**. Kids 4-12 years are invited to get outside and get dirty as they run through a number of outdoor obstacles designed to be fun!

Event starts: 6 p.m. Friday, Aug. 11  
Check-In: 5:30 p.m.  
West Entrance of Hawk Ridge Park

Register online here:

<http://bit.ly/2fcnxPn> or come to our office at Centerview, 227 Municipal Circle. Contact us at 816-322-2791. Registration Deadline, Aug. 10- \$20  
Walk-Up Registration, Aug. 11- \$30

## Administration

- IT Manager Jim Mayberry participated in a web demonstration of the Impero software that is being explored to allow the broadcast of maps and other items to Council workstations.
- Human Resources Manager Shawn Aulgur participated in a webinar on “Building a Wow Recognition Culture” for employees.

## Community Development

- The Planning & Zoning Commission met Tuesday and continued consideration of the site plan for G & G Storage Facility, to be constructed at 308 E. Walnut St., until Aug 15.

## Finance

- The Capital Improvement Committee met on Monday, July 31, to discuss and finalize capital projects for the next five years.
- Staff continues to work with the City Manager on the preliminary budget.
- Staff sent out over 900 phone notifications to the utility customers on Friday, Aug. 4, to remind them of their Aug. 8 utility bill due date.

## Parks & Recreation

- Deadlines for all fall sports have been extended. Visit our website to see a full list of program and activities offered by the Parks & Recreation Department.  
[www.Raymore.com/Parks](http://www.Raymore.com/Parks).
- South Metro Sports Group held the annual fall sports rules meeting at Centerview to discuss upcoming leagues and any rules changes
- Park staff prepared the course for the Mini Mud Run to be held on Friday, Aug. 11 at Hawk Ridge Park. [Learn more on our website](#).
- Summer Camp participants took a fieldtrip to Sky Zone Trampoline Park in Lee’s Summit this week.
- Administration staff worked on the Memorial Park improvement projects scheduled for this fall.
- Park staff performed routine maintenance on several natural/native areas in the park system, added mulch to the Recreation Park Playground and tilled the sand volleyball court.
- Park Staff repaired areas including underneath the bridge at Recreation Park from the recent storms and flooding.

## **Police**

- Communications Supervisor Starlith McAdams met with representatives from South Metro Fire regarding their new software and CAD interface.
- Capt. Jim Wilson met with management from Ridgeway Villas about the planning of a joint Back-to-School event.
- Lt. Steve Donahoe conducted a walk-through with representatives from Commenco to gather information for improvement of radio coverage within City Hall.
- Communications Supervisor Starlith McAdams met with the supervisor from the Cass County Sheriff's Office Dispatch to update the Raymore radio system to eliminate confusion caused by the use of like tone signals.
- Capt. Jim Wilson met with members of Parks & Recreation about the upcoming Mini Mud Run being held on Aug. 11 at Hawk Ridge Park.
- Chief Jan Zimmerman attended the annual FBI National Academy Training Conference in Washington D.C., where topics of instruction included the use of social media to connect to communities, first responders and counter-terrorism, and drone use in policing.
- Lt. Steve Donahoe met with the Cass County Emergency Services Technical Committee at the Belton Police Department.
- Capt. Jim Wilson met with representatives from the Kansas City Royals Baseball Club to obtain baseball cards for youth in our community.

## **Public Works**

- Staff is reviewing subdivision plans for Heritage Hills, Westbrook at Creekmoor, Cunningham at Creekmoor and Brookside 10th.
- Public Works crews completed concrete repairs and street repairs at various locations throughout the City.
