WARNING TO HOMEOWNER: If you are acting as your own contractor, you are personally responsible for all work on this project; you are responsible to see that all work meets the Building Code and City Ordinances; supervise all work; schedule all required inspections; be present for all inspections. You are the General Contractor and a court of law will view you as such if you are sued, or if you should have the need to sue another party. Your subcontractors may lien your property. Any worker injured on your project may sue you if you or the company they work for does not carry Workers' Compensation Insurance.

It is understood that any permit issued on this application will not grant the right of privilege to erect any structure or to use any premises described for any purpose or in any manner prohibited by the Unified Development Code or by other ordinances, codes, or regulations of Raymore, MO.

By signature on this application, it is unequivocally stated that pursuant to Chapter 500 Raymore Municipal Code, the entity named herein possesses workers' compensation coverage, if required, for all its employees. If said entity is a prime contractor, then it is further stated that it possesses workers' compensation coverage for all employees of any subcontractor/specialty contractor that performs work relative to this permit, where said individual has not provided coverage for its own employees. A copy of the workers' compensation policy, is on file with the Raymore City Clerks Office.

I, the applicant named in the above (and foregoing) application do hereby answer under penalty of perjury, that the information contained and the statements herein made are, to the best of my knowledge and belief, true, correct, and complete.

All utility permits are separate permit applications.
