**Notice of Requirement to Install Sidewalk**

**Property Location:** 922 Doe Drive  
Whitetail Run Lot 46

Green Grass Investments Inc.  
P.O. Box 1153  
Raymore, MO 64083

Section 445.030K2a of the City of Raymore Unified Development Code (UDC) requires the owner of an undeveloped lot within a subdivision to construct a sidewalk on that lot when 66% or more of the lots on the same side of the street in the same block already have a sidewalk and it has been 3 years from the date the first Certificate of Occupancy was issued in the subdivision phase that contains the undeveloped lot. Should any sidewalk not be installed on the undeveloped lot after receiving notice from the City to install the sidewalk the City may, after holding a public hearing, proceed with constructing the sidewalk and levy a special tax assessment against the property for the costs thereof.

The undeveloped lot you own at 922 Doe Drive in the Whitetail Run Plat is located on a street wherein over 66% of the lots have a sidewalk. In accordance with Section 445.030K2 of the UDC you are now required to install a sidewalk on the lot.

The deadline for installing sidewalk on the lot is **August 1, 2018**. If the sidewalk is not completely installed on the lot before August 1, 2018 then the City will proceed with holding the public hearing to determine if the City is to construct the sidewalk and levy a special tax assessment against the property. If a building permit is issued for the lot then the August 1<sup>st</sup> deadline does not apply.

Please be advised that all sidewalks in the City of Raymore shall be constructed according to the Kansas City Metro Materials Board (KCMMB) 4K concrete material specification and City of Raymore Standard Specifications and Design Criteria.
